Customer Contract and Warranty Statement

Thank you for purchasing Waxoyl Professional Car Care Corrosion Prevention for your vehicle. When applied to your vehicle's original factory finish, it is warranted to not rust or corrode as long as you own your vehicle. This warranty is applicable only to new vehicles equipped with original equipment and original equipment paint, which are sold to individuals and are used solely for personal, non-commercial use. This warranty is made only to the original purchaser and is NOT TRANSFERABLE.

In the unlikely event that your vehicle does show signs of corrosion beyond normal wear and considered to be the result of product or application failure, simply return your vehicle, along with this receipt to the Waxoyl Authorized Dealer who applied your corrosion prevention. Our obligation under this warranty shall be limited to repairing or replacing, free of charge to the original purchaser, any part that, in our judgment, shall show evidence of such defect. Under no circumstances will it cover any merchandise or components thereof, which, in the opinion of the company, has been subject to misuse, unauthorized modification, alteration, and accident or if repairs have been made.

Other rustproofing products simply hide the rust. They dry, crack and eventually flake off exposing severe rust problems. Waxoyl's advanced chemistry makes a live, flexible undercoating that never dries and sticks forever for a lifetime protection.

The Waxoyl brand stands for more than 50 years of experience in the fight against corrosion and weather damage. Trusted by specialists the world over, from showrooms to manufacturing, railways to shipyards.
