Maternity/Paternity Leave, Foster/Adopting Families, Vacations, and Waiting List Holding Fees

Expecting/Foster/Adopting Families, and Maternity/Paternity Leave Holding Fees

- Expecting/Foster/Adopting families who already have children enrolled at KAP receive first preference on the spot at KAP.
- Expecting families must give Kids At Play a six-month notice of their interest in a spot in our Observers Classroom.
- We will need the following information when inquiring about a spot in our Observers Classroom:
 - Send an admin message in Brightwheel stating the following:
 - Due date and the approximate start date for the baby.
 - If you plan to keep your older child(ren) in care during your maternity/paternity leave

- Give a non-refundable one-week tuition deposit towards the baby's first week of care.
- If you decide later that your baby will not be attending KAP, you will not receive the deposit back.
- Adopting/Foster families: if you are expecting an adoption or a foster child and already have a child enrolled, you must notify us as soon as you are waiting.
 - You will be first on the waiting list for the room the baby/child will need.

Waiting List Information

- Your name on the waiting list is free until a spot is available.
- When a childcare spot becomes available, we will start with the first person on our waiting list for that age.
- If we offer you a spot, but you do not need to start care right away, you can pay the current weekly tuition for your child's age to hold their spot. If you do not pay the weekly tuition to hold the spot, we will move on to the next person on the list. This weekly tuition to hold the spot is non-refundable.
