DIVERSE MARINE 9m PATROL RIB

Fast, Flush Deck, Multi-Role Craft

The Diverse Marine 9m Patrol RIB was designed in-house for a local harbour authority to fulfil a varied operational brief. The vessel combines efficient low-speed operation at 6 knots for harbour patrol and light towing duties with performance of up to 30 knots outside the harbour confines, while also providing support for diving operations. A flush deck with integrated cargo securing rails adds further versatility across a range of operational requirements.

GENERAL

Construction Material	Aluminium, Marine Grade 5083
Inflatable Tubes	6 x Baffled Chamber; 1500gr/m Hypalon "D"
Flag	MCA Workboat Code Edition 3 Category 3

DIMENSIONS

Length Overall	9.10m
Length Hull	8.50m
Beam Overall	3.00m
Maximum Draft	0.45m
Maximum Displacement	3.00T
Crew/Pax	<12

TANK CAPACITIES

Marine Gas Oil	150 Ltrs
----------------	----------

PROPULSION (Base Vessel)

Main Engine	1 x Volvo Penta D6-380
Installed Power	280kW
Gearboxes	1 x ZF-Marine ZF63
Propulsion	1 x Hamilton HJ274 Water Jets
Speed Sprint	35.0 kts (100% MCR)
Speed Service	30.0 kts (85% MCR)
Control System	Kobelt Electro/Hydraulic
Ride Control	Humphree Interceptors

ELECTRICAL EQUIPMENT

Network	24v DC
---------	--------

DECK EQUIPMENT

Anchor	1 x 10Kg Delta
--------	----------------

FIRE FIGHTING

Engine Space	STAT-X
Fire Fighting	KPM Rescue Pump
Loose Extinguishers	Flag Requirements

ACCOMMODATION

Facilities	2 x Shockwave S3 Jockey Seats c/w Fold Up Rear Seats 4 x Cargo Securing Rails to Aft Deck 3 x Bollards 2 x Cleats 1 x Towing Post 1 x Folding Ladder 1 x Main Console 1 x Bimini Frame & Hard Top
------------	---

NAVIGATION & COMMUNICATION

Main Radar	Furuno DRS4D-NXT 24" Radome
Main Electronic Chart	Furuno TZT12F 12" Hybrid Control Display
AIS	Furuno FA170
GPS Compass	Furuno SCX20
Echosounder	1 x Furuno BBDS1 Dual
Communication	2 x Icom GM600 Class A VHF to Wheelhouse
Talkback	Furuno LH-5000
CCTV	1 x AXIS M5065 PTZ Camera
