COUNTRY BREAKFASTS STILL A HIT!

It's not just about eating a hearty breakfast, but the Community Breakfasts at the Center have become a place to get re-acquainted with friends and to meet new ones! Who would have thought that PEACH COBBLERS would be such a breakfast highlight and success? Everyone seems to converge on that table especially when one is coming out of the oven! We appreciate your donations for these breakfasts that next occur on Sept. 11, 18 & 25, Oct. 16, and Nov. 6.

EMERGENCY TIMES

The recent fire emergencies put so many at risk for the loss of property, land, animals, and possessions. Our local community remains safe but “Kudos” to all who helped! As a reminder, we just want to let our existing and new residents know how we respond to situations like those that recently occurred at the Oregon Fire in Spokane/Pend Oreille Counties of Washington.

The Community Center has a Memorandum of Understanding (MOU) with the Bonner County Emergency Management department that in the event of a public health emergency or natural disaster, the Center will be notified by Bonner County to work together to both secure and provide shelter for displaced citizens and emergency personnel affected such an emergency. This agreement is implemented when the County makes a declaration of a disaster, or an emergency exists. The Community Center continues to add supplies, such as, cots, provisions, food, and a sufficient generator to successfully handle these situations where numbers of persons are to be housed.

NEED TO MAKE MORE GIFTS AND CRAFTS?

There is no place like a **QUILTERS STASH SALE** to stock up on fabrics, notions, tools and more! Get a jump on those Christmas presents, new quilt, or anything else you’re planning to make by coming down to the Blanchard Community Center on **Friday, Sept. 22 from noon til’ 4 p.m. or on Saturday, Sept. 23 from 9 a.m. to 4 p.m.** Want to be a vendor of these crafty items? You can reserve space for the 2-day event by contacting Penny Funkhouser at 206-799-8964.

SCARY TIMES AHEAD

Yup, he’s coming back! Think about another night of fright, food, and fun! On **Saturday, Oct 28** the Community Center will once again be hosting the “Trunk or Treat” event for young and old. This “Grim-Reaper” had everyone on their toes last year.

For those of you who are new, everyone decorated the trunk of their car, many also had costumes, and everybody had “trick or treat” candy to hand out to all those who followed the big circle of cars/trunks. This is a safe and fun way for our local kids (and their parents and grandparents) to have a safe and fun Halloween time.
