Core Competencies:

1. Food Distribution:

- Efficiently manage and distribute nutritious meals, ensuring food security for homeless families and military personnel.
- Utilize community-generated Lids for sealing meals and hygiene kits, fostering community involvement.

2. Street Survival Backpacks*:

- We distribute hygiene kits and care packages during our nighttime outreach in downtown. We are developing Backpacks filled with everything essential for urban survival. We're also developing a Homeless Resource Guide with referrals and maps to service providers in the San Diego, CA area.

3. Nighttime Street Outreach:

- Engage with homeless families and individuals between 12pm-6am when most other resources are unavailable through street outreach, providing vital resources and supportive services.
- Establish partnerships with local organizations and agencies to enhance outreach effectiveness.

4. Event Planning:

- Organize impactful community events aimed at raising awareness, mobilizing volunteers, and generating support for our mission.

5. Leadership :

Comprises individuals with lived experience, enabling a compassionate and effective approach to service delivery.

6. Past Performance:

- Successfully provided thousands of meals and hygiene kits to homeless families and military personnel within San Diego.
- Established collaborations with local businesses and volunteers, enhancing community participation and support for those in need.

7. Differentiators:

- Operate 24/7 and do night time outreach
- Proud to be an American USA Based Organization that serves our most vulnerable Americans in need.
