Embassy Surgery Center

HIPAA Privacy Notice, Patient Privacy Policy, and Website Privacy Policy

Notice of Privacy Practices (HIPAA)

Embassy Surgery Center is committed to protecting the privacy of your Protected Health Information (PHI). We may use and disclose PHI for treatment, payment, healthcare operations, and other purposes permitted by law.

- Obtain a copy of your medical records
- Request corrections to your health information
- Request confidential communications
- Request restrictions on certain disclosures
- Receive an accounting of disclosures
- Receive a copy of this Notice of Privacy Practices
- File a complaint without fear of retaliation

Patient Privacy Policy

Embassy Surgery Center maintains administrative, physical, and technical safeguards to protect patient information. Access to patient information is limited to authorized workforce members who require access to perform their job duties.

Website Privacy Policy

Information submitted through our website is used to respond to inquiries, process appointment requests, and support healthcare operations.

- Information submitted through the website is protected and maintained securely.
- Personal information is not sold to third parties.
- Website analytics and cookies may be used to improve website performance and user experience.
- Users should not submit urgent medical concerns through website forms.
- Patients requiring immediate medical attention should contact emergency services or their physician.
