This year sees our 11th Annual Property Stud and Flock Ram Sale, and we are immensely proud to be offering 6 stud rams and 74 flock rams.

Through meticulous selection of breeding stock, we have put together a draft of consistently even rams with an important emphasis on carcass, focusing on strong bone structure and conformation ensuring our animals are well balanced and correct on their feet.

We do shear our sale rams. At Red Hill it is all about showcasing our rams and presenting them in an excellent manner for our sale. Our integrity is particularly important and by shearing our sale rams we can better look for any colour imperfection that may not otherwise be obvious under their hair cover, and we assure our clients that all rams presented for sale have the correct hair pattern.

Here at Red Hill sale rams are weighed three weeks before our sale and we implement the measurement of eye muscle depth and fat depth on all our sire rams retained in the stud and sale rams, which has proved to be a valued tool to clients with ram selection.

Once again, we extend a very warm welcome and look forward to seeing you and thank you for your participation at our upcoming sale.

BUYER'S INFORMATION

Inspection:	All sheep will be penned by 10.00am on sale day and the Auction will commence at 1.00pm
Instruction & Delivery:	The selling agents will have an office at the sale and assistance will be provided regarding Auctions Plus prior to the sale. All instructions must be given in writing on INSTRUCTION SLIPS available for auctioneers.
Rebate:	A 2% rebate available to outside agents introducing buyers prior to sale and settling on their behalf within 7 days of invoice
