Welcome to our 12th Annual on Property Sale!

Red Hill Australian White Stud extends a very warm welcome to everyone joining us for our 12th Annual on Property Stud & Flock Ram Sale.

We are proud to present a quality offering of 5 stud rams and 83 flock rams.

Through careful and meticulous selection of our breeding stock, we have put together a draft of rams, with a strong emphasis on carcass quality, bone structure, growth rates and overall conformation. Our aim is to produce well-balanced, functional Australian White rams that will perform in the paddock and contribute positively to our clients' breeding programs.

At Red Hill, we shear our sale rams as part of our commitment to presenting them to the highest possible standard. The rams have been shorn 10 weeks prior to the sale, allowing clients to clearly assess their hair type and provide confidence in the quality and correctness of each animal presented.

All sale rams are weighed and scanned three weeks prior to the sale, to provide clients with valuable information when assessing and comparing their selections.

We are very pleased to offer this selection of rams and sincerely hope buyers are successful with their purchases. Most importantly, we hope the rams you select satisfy and exceed your expectations and go on to make a valuable contribution to your breeding program.

Thank you for your continued interest, support and confidence in Red Hill Australian White Stud. We warmly welcome you to our sale and wish all buyers every success with their selections.
