President's Message **Sandy Dubrowskij**

Greetings Greater Long Beach Republican Women,

Did you ever think you would be living in a time when our government officials would be preaching the gospel? That would there be the potential for peace in the Middle East? What a time we are living in?! The Charlie Kirk influence is alive and well. I joyfully wrote a generous check on behalf of each of you to Turning Point USA so the next generation will continue to believe and fight for our great nation.

I am so thankful for each of you who participates in spreading the NO on 50 word and getting signatures for Voter ID. Our club has certainly been well represented this past month by going out to canvas for 50, Voter ID and candidate Maureen Flaherty, LBUSD Board #5.

We know this is a battle for the minds and hearts of our children. I'm sure you will agree with me that we need to stand in the gap for those young girls who will come after us. The deep state will continue to try to make our lives miserable. Look at how they have constantly gone after President Trump. Yet, he keeps on fighting, he never gives up. I feel that way about California. I will not let the enemy steal my joy. I will continue to fight and never give up. As John Quincy Adams said: "Duty is ours and the results belong to God."

I hope to see you on November 8 when Tracy Coe gives us information to help take care of ourselves. Please invite your friends (even those who are Democrats or independents) to this informative breakfast meeting. Let them know how much you care about their health and wellbeing.

Have a wonderful day and remember to smile and be joyful. (And let's hope those smiles come to us on Election Day.)

Your President,

Sandy Dubrowskij

TRACEY COE Founder of CoeDynamics

Tracy Coe, NCPT, cFBCA, cQRA, cEMF

Founder of CoeDynamics, Tracy Coe is a certified practitioner in functional health, EMF protection, and Pilates/movement therapy. With deep gratitude for the miraculous design of the body and mind, she empowers individuals across all life stages to optimize their health. Backed by years of science-based research and expertise, Tracy is passionate about exposing the hidden health dangers of microwave EMFs and teaches practical, proven tools to protect and support cellular health—safeguarding the well-being of individuals, families, and communities.

October Meeting

IT'S GREAT TO
see you!

INVOCATION—Robin Itzler

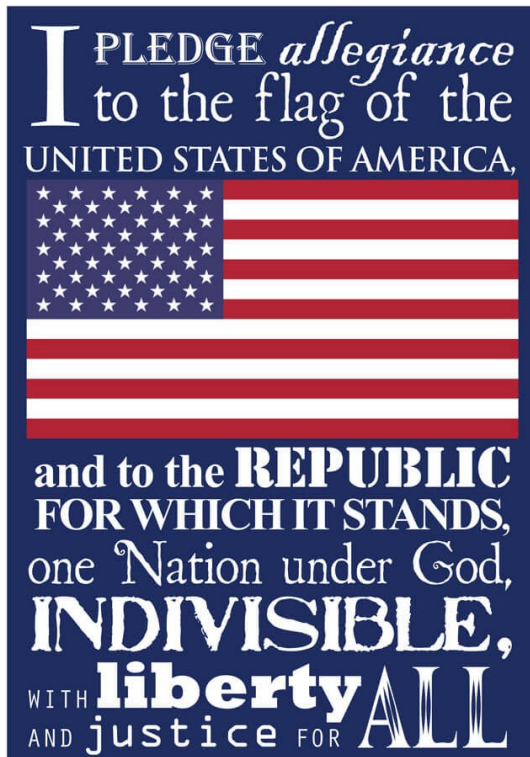

Before offering our prayer, Robin shared her views on Middle East events. If anyone wants to receive her free weekly newsletter Patriot Neighbors, contact Robin at PatriotNeighbors@yahoo.com.

Dear God,

We pray that the Trump Peace Deal becomes the foundation for a true peace. We pray that President Trump, Vice President Vance and the entire Trump administration can guide our nation, as there are many who seek to do us harm. We pray for our brave men and women in law enforcement and the military who risk their lives to keep us safe from those who seek to do us harm. Let's save California and continue to Make America Great Again.

Amen.

PLEDGE OF ALLEGIANCE— Jean Fullerton Chaplain Dorothy Kistler joins her

Guest Speaker

Brian Pedral

Regional Political Director
