President's Message **Sandy Dubrowskij**

Greetings Greater Long Beach Republican Women,

As I reflect and ponder what to share, I had the crazy thought of just wanting to run away. I like the Southwest slogan "What to get away?" Then I wake up and say to myself, "Are you kidding?" I am living in the most exciting times ever. I must remind myself to be equipped with my armor as I go about my business. I hope you get up every day asking yourself, "What do I get to do today to help save this great state?"

I am reminded of the women who have come before us. Did you know the oldest Republican Women's Club on record was founded in the late 1800s? We have such a rich history of women who maybe thought they wanted to get away but did not even think there could be such things as airplanes. "You've come a long way baby" to quote another phrase I picked up along the way.

I hope each of you took time to call Newsom's office to ask him to veto AB495. As of this writing I do not have an update. There is so much work to do.

Please make plans to attend our October meeting. We will be having Brian Pedral from "Voter ID." This is the meeting to invite your friends, family and neighbors who want to put the "golden" back in Golden California. I also hope you all got fired up after our last meeting with speaker Denice Gary-Pandol. Time is moving quickly. It is so important we are united and getting involved to do our part. We must be bold to speak to people about the issues and find common ground.

As Charlie would say "We have a country to save."

Warmest Regards,

Sandy Dubrowskij

INVOCATION—Tara Fowler

Heavenly Father,

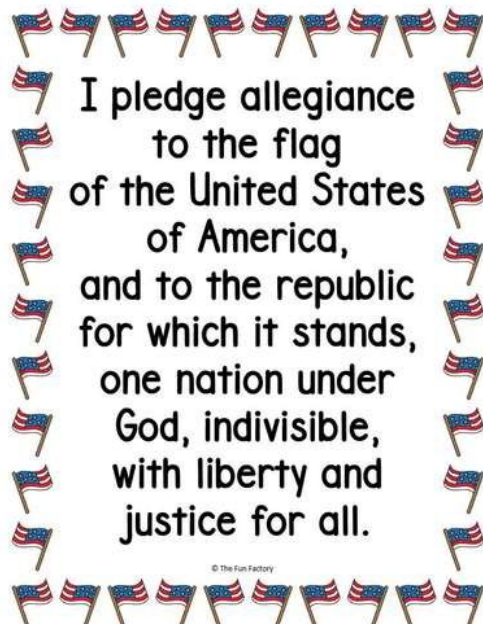

We come before you today with heavy hearts as we mourn the loss of a great patriot, Charlie Kirk, who diligently spoke out for biblical truth, for justice and our country's values as he made an impact on so many young lives and inspired us all to speak the truth.

We do not question your plan even when it is hard to understand, we know he is home with you.

We ask for your comfort and peace for his wife and children and to all who grieve and help us all to carry on his example of a faithful Christian and proud American.

Father, in sadness, we remain thankful for the friendships we cultivate here in a divided country, and we ask for blessings for our meal and our speaker today.

Help our leaders, Father, to seek You in all things. Give them wisdom and knowledge to guide with justice, compassion, and humility. May they work to bring peace to our communities and healing to our nation. Amen.

Thank you to everyone who participated at the table. We spoke to many people about what is happening in Long Beach and California—especially why we must vote NO ON PROP. 50!

L-R: **Sheryl Bellow**, **Caryl Miller**, Lance Woods and **Robin Itzler**.

Those who also volunteered include **Casey Carver**, President of LBAR and **Dorothy Kistler**. Those highlighted are members/associate members of Greater Long Beach Republican Women.

A church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. He wrote:

"I've gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, the preachers and priests are wasting theirs by giving sermons at all."

This started a real controversy in the "Letters to the Editor" column. Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something!

Faith sees the invisible, believes the incredible & receives the impossible! Thank God for our physical and our spiritual nourishment! IF YOU CANNOT SEE GOD IN ALL, YOU CANNOT SEE GOD AT ALL !
