President's Message

Sandy Dubrowskij

Dear Greater Long Beach Republican Women,

Have you heard the phrase, "We don't deserve him"? If you watch *Gutfeld*, he says it sometimes about our outstanding President Donald J. Trump. Greg is a fun and entertaining news source. However, I want to encourage you to get your news source from more than the TV. There are many great podcasts with superb commentaries on what is happening throughout the nation.

President Trump had one of the most incredible weeks in ANY American presidency – and we are living through amazing events! From the superb Supreme Court rulings to the Middle East cease-fire to the peace treaty in Africa to our fantastic military taking out Iran's nuclear weapons... President Trump is winning and that means **We the People** are winning!

Our president works almost nonstop to Make America Great Again and we must do what we can to support his efforts. We must take back territory that our political enemies have eroded over the past several years.

As we relax and recharge over the Independence Day holiday weekend and throughout the summer, let's keep our minds alert and

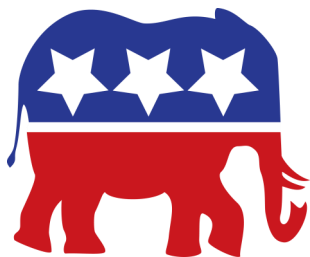

focused on future ways we can participate in our civic duty. Remember, you are not alone. You belong to a community of like-minded women. We are more powerful together than alone. With an election around the corner, it is time to stand together and remind one another "We will never give up, we will never surrender." With God's help we can participate in changing California and our communities.

Let's start locally. If you live in the Long Beach Unified District #5, we have a great candidate: Maureen Flaughy. As a group we are going to work together to get Maureen elected to the school board.

Have a fun and safe July Fourth holiday as we join together to help Make America Great Again!
