### *President's Message*

**Sandy Dubrowskij**

Salutations Greater Long Beach Republican Women! As we look in the rear-view mirror of 2025, what shall be the reflection?

I see a President who has kept many promises made to "we the people." I choose to believe much has been accomplished that I have not yet seen. I also see another year older, another year wiser.

Looking forward into 2026, I see "we the people" holding our representatives to be men and women of integrity. With good people in power God will direct their path in the way He wants it to go. Decisions made need to be on behalf of the American people and our Founding Fathers compact with God. President Trump has done and continues to do his part.

It is time for "we the people" to do our part, our civic duty. Look at what is in front of us. Getting VoterID on the ballot, the gubernatorial race, school board race, and Long Beach mayoral race. I know some people say they don't like to talk about politics. My question is: *Are you an American?* We are trying to talk about the future of our nation for our grandchildren. I am an independent thinker, and I believe MAGA is the future. We must stand together for liberty and justice for all Americans. We are a Constitutional republic. One Nation under God.

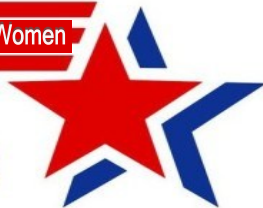

Happy New Year to you all and may we all witness the Golden Age together.

Your GLBRW President,

Sandy Dubrowskij

## INVOCATION—Caryl Miller

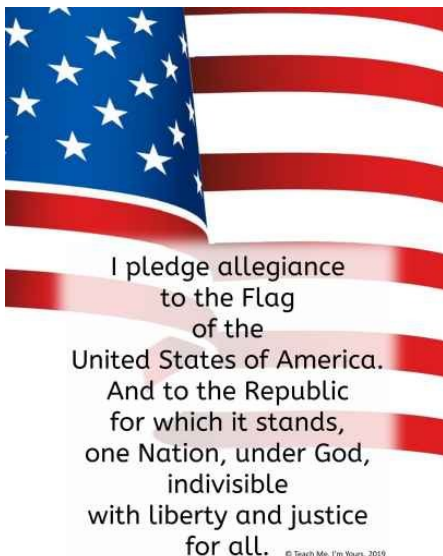

Most of the time I begin and end my day with prayers for people and situations. The day after the presidential election, I said this prayer that I got from my deceased mother's prayer book, "Our Country." I have said this prayer many times in the past but the words never resonated stronger or deeper within my heart than they did the day after the 2024 presidential election. The prayer says nothing Republicans, Democrats, Independents, Tea Party, Conservatives or Liberals. I cherish this prayer and want to share it with you. It was written in 2016 by Jerry Allan King, Founder of King Aerospace.

**"Almighty God, you have given us this good land as our heritage. Make us always remember your generosity and constantly do your will. Bless our land with honest industry, truthful education, and an honorable way of life. Save us from violence, discord and confusion; from pride and arrogance, and from every evil**

**course of action. Make us who came from many nations with many different languages a united people. Defend our liberties and give those whom we have entrusted with the authority of government the spirit of wisdom that there might be justice and peace in our land. When times are prosperous, let our hearts be thankful; and, in troubled times, do not let our trust in your fail. We ask all this through our Lord."**

As we remember why we celebrate Christmas, I ask Santa or whoever is responsible for delivering our holiday wishes to give all of us and our country the things described in this prayer. Merry Christmas to you and God Bless America!
