President's Message Sandy Dubrowskij

Greetings Greater Long Beach Republican Women,

The government exists to protect our inalienable rights. The government is not there to provide for us, but to protect us while we go out and produce. The more the government provides for us, the less prosperous we are because the less initiative we have. Some Americans want less government while others want more.

Are we headed for a civil war? I think we are already in a war. I see what is happening in Minnesota and believe the other side is trying to fight a war. How crazy to be on the side of murderers, rapists and bad hombres. My thoughts and support are with the Border Patrol, Ice Agents and local police. Will the situation escalate to require President Trump to invoke the Insurrection Act? Right now, our country is under severe chaos in some places. We all still go about our business because we don't see it happening in our local community. Yet.

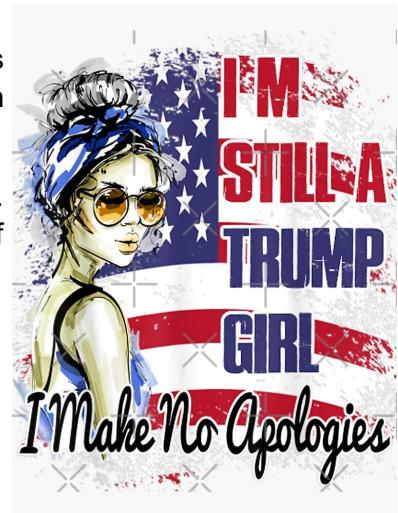

President Trump has stated that if we got rid of fraud and waste, we would have a balanced budget. Working Americans (and that includes retirees who once worked) are overtaxed and overburdened. Imagine President Trump and his team getting rid of the IRS and replacing it with the External Revenue Service. I know right now it is difficult to trust our government, but I also know President Trump has a plan. We need to trust the plan and trust the Patriots who are implementing the plan. The deep state cannot stop what is coming! Something big must happen to get rid of the fraud and dishonest politicians. More exposure will continue to come out as light shines in the dark places of corruption.

Please continue to keep President Trump in your thoughts. He needs God's protection and direction as our country moves toward celebrating our 250th birthday. Would Benjamin Franklin be surprised that we have made it this far?

Please plan to join us and bring a friend for our February 14 breakfast meeting. Candidate for governor, Sheriff Chad Bianco, will be our featured speaker. All of us need to do our part to prove to the nation that **CALIFORNIA IS RED**.

Your President and fellow Patriot,

Sandy Dubrowskij

COMING MARCH 14: ALEX VILLANUEVA, CANDIDATE FOR LA CTY SHERIFF

January Meeting

Guest Speaker **Susan Shelley** Columnist & Howard Jarvis Tax Assoc.

INVOCATION—Linda Whitmer

My nephew, Spencer Sweet, is a Lt. Colonel in the Marine Corp., stationed at Camp Le June. Since August, he has been very busy in meetings and training but could only say that something big was being planned and to “stay tuned.”

When I woke up last Saturday (January 3) and heard the news of the flawless capture of Venezuela’s dictator Nicolas Maduro and his wife, I knew this was what he was talking about. The fact that ALL branches of our military worked together to succeed in capturing this evil dictator with no loss of life is amazing and inspiring. God was truly glorified in this mission resulting in perfect timing and precision.

Now, please pray with me:

“Father God, we come to You in gratitude and praise for Your presence, power and knowledge in guiding the leaders of our

combined military in orchestrating such a flawless mission. We also thank You for guiding the men and women who voluntarily choose to serve in our military. They develop great skills, endurance and knowledge to carry out amazing conquests.

“The capture of Maduro and his wife was carried out with perfection! It was a great source of pride. Father God, as Americans, may we turn to You regardless of our political preferences and recognize the work You are doing amongst us. Help us to be united in gratitude for You and our great country. In Jesus’ name, we pray. Amen.”
