President's Message

Sandy Dubrowskij

Greetings Republican Women and Conservative Friends,

I find time fascinating in the fact that it is already almost October. Didn't we just meet two weeks ago. It was so great to see familiar faces and know that we have a strong impact in our Long Beach neighborhood and surrounding communities.

My thanks to those members who volunteered to help address and stuff envelopes for Reform California. Every election we say, "This is the most important one!" Do you feel different this time? We must make it different, or we get what we deserve. I'm not giving up, are you? I know that behind-the-scenes our President is working out a plan to make his final two years in office even more successful than it has been. For example, President Trump has always said that Greenland would be ours. He did it in the best way possible as Jeff Childers of the popular *Coffee and Covid* Substack explained:

"Trump's public demands to buy Greenland were a *negotiating anchor*. Under the announced deal, Denmark "wins" by keeping sovereignty while simultaneously giving the U.S. everything we need. Without having to "buy" anything. It was a masterstroke of negotiation."

President Trump's actions with Greenland stopped Russia and China from being our neighbors of the Western Hemisphere.

Trust there is a strategic plan to take down the Deep State system and move into something much better for not only the United States but for the world. We are living in unprecedented times and as I've said before, "Get out the popcorn!" The Democrats are imploding before our eyes, with reasonable Democrats admitting they are going to vote Republican. Now is the time for the tide to turn.

Encourage people you encounter to get to know the officials running for office. Become educated on the candidates and propositions. Help people understand what district they are in and who is running to represent them. Our voice must matter. Our vote must matter. What we do matters!

I look forward to seeing you at our next meeting on October 10. Bring a friend to show big support for Micheal Gates, candidate for state attorney general, and Herb Morgan, candidate for state controller. Remember we have a President who has the biggest heart. This Christmas he will be flying thousands of illegals home to be with their families. Stay Strong, Stay Safe.

INVOCATION—Valerie Roman

Our Father in heaven, give us the long view of our work and our world.

Help us to see that it is better to fail in a 'cause that will ultimately succeed than to succeed in a 'cause that will ultimately fail....

May your will be done here and may your program be carried out above party and personality beyond time and circumstance for the good of (California), Aa and the peace of the world.

Amen

Prayer by: Peter Marshall, Chaplain of the U.S. Senate, 1947-1949

Mr. Jones Meet the Master

Also, this week we remember the lives lost, the families forever changed and the heroes who ran toward danger when others were fleeing. This American tragedy reminds us that even in our darkest hour, courage shines, strangers become neighbors, and unity becomes our strength. We may honor their memory not only with words, but by standing together with compatible courage and unwavering commitment to freedom.

We will remember.

We will remain strong.

And we will never forget.

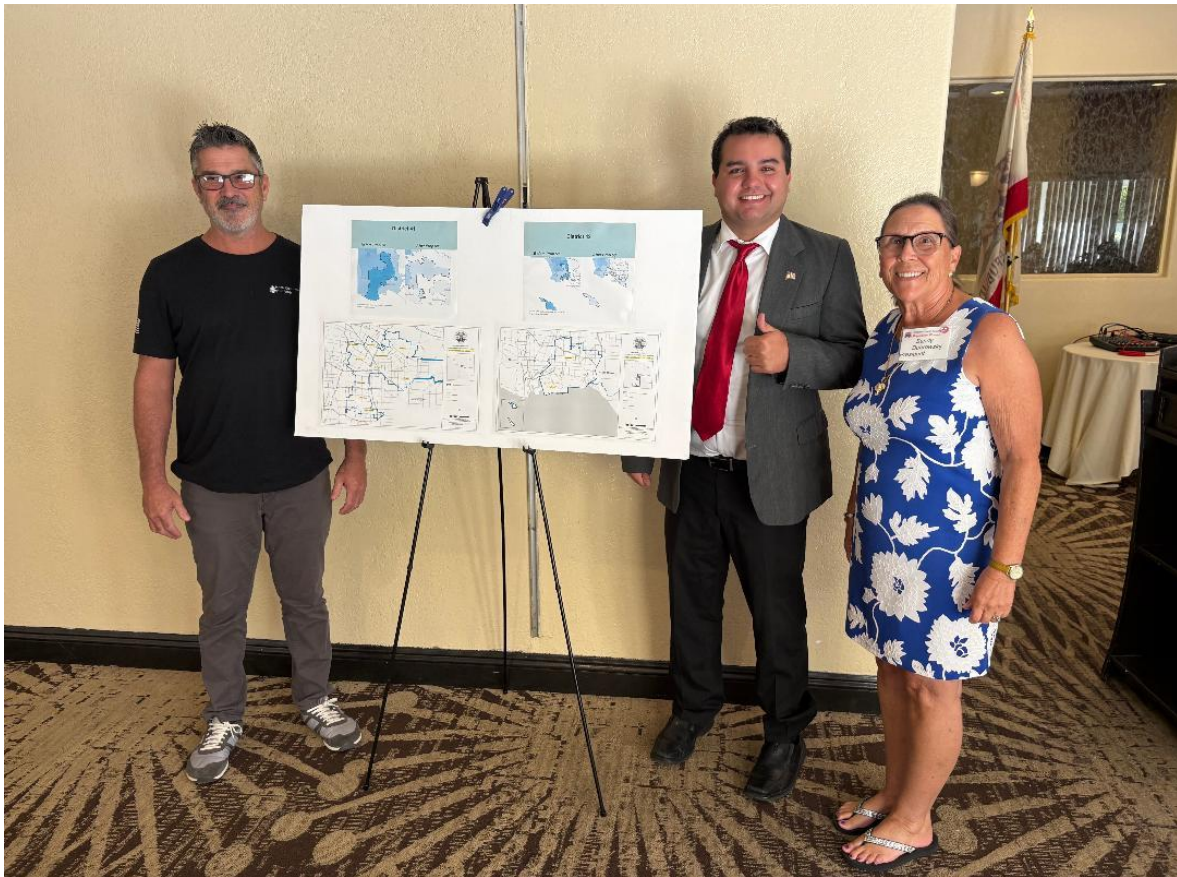

PLEDGE OF ALLEGIANCE — Robin Itzler

Before leading members and guests with our *Pledge of Allegiance*, Robin talked about the valiant men and women who carried our precious flag in battle, many dying to protect our country. Others had the flag on their uniform. All proud to be Americans.

September Meeting

We heard from Mitch Clemmons, candidate in Congressional District 41, on left, and Brian Burley, Congressional District 42, with President Sandra Dubrowskij. They are standing by a map that shows the Prop 50 before and after districts.

Following the meeting we took a group photo of all the Patriot women and men! Greater Long Beach Republican Women now has 94 members. Three joined at our September meeting.
