President's Message **Sandy Dubrowskij**

Greetings Greater Long Beach Republican Women,

As summer nears an end I reflect on the joyful time I have enjoyed with my grandchildren. I am currently in a wonderful season. I know summer has been a difficult season for some. Please know that whatever season you are in your fellow Greater Long Beach Republican Women members are here for you.

Together, we are all in a battle to save this nation from communism. I don't know about you, but I say, "No way, communism! You will not have this nation or state taken over by communists on my watch."

Like you, I am still calling about AB2017 - recognition of two major Islamic holidays. While the United States welcomes law-abiding people of all religions, that doesn't mean diluting our Christian heritage. The United States of America was founded as a Christian nation and remains dedicated to Christian principles.

We are less than 65 days away from the November 3rd, 2026, mid-term election. Republicans must take back territory and hold the ground that we still have.

If you can walk or help in any way our group exists to provide opportunities for you, your family and your friends to make a difference in the community. Please join us on September 12 to hear from the two Republican candidates running for U.S. Congress in Districts 41 and 42. After passage of Prop. 50, these two districts will include parts of Long Beach. Plan to attend and invite family and friends who live in Long Beach so you can hear from the candidates directly. I look forward to seeing you all there.

Let me close with something President Andrew Jackson said:

"External vigilance by the people is the price of liberty and you must pay the price if you wish to secure the blessing."

Stay safe,

Sandy Dubrowskij
