

2024 OMICRON LAMBDA LAMBDA ACHIEVEMENT WEEK

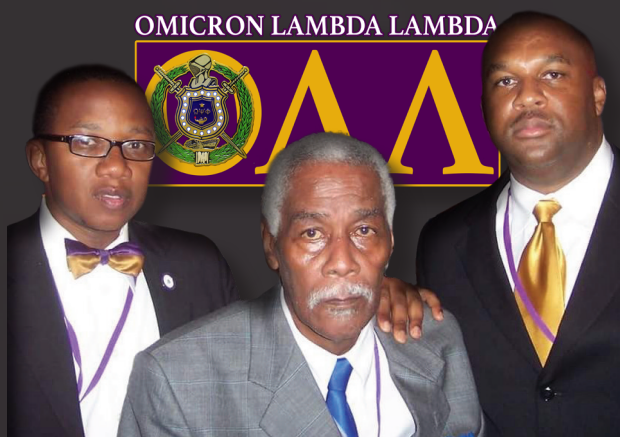

MANHOOD - SCHOLARSHIP - PERSEVERANCE - UPLIFT

OMICRON LAMBDA LAMBDA
CHAPTER OF OMEGA PSI PHI FRATERNITY, INC.
2024 NATIONAL ACHIEVEMENT WEEK

CHAPTER

Omicron Lambda Lambda is a Graduate Chapter of Omega Psi Phi Fraternity, Incorporated located in Little Rock, Arkansas. It was established as an alternative for Omegas living in Central Arkansas to live their creed and serve mankind in thier community. Omicron Lambda Lambda chapter provides an opportunity for all brothers to align themselves together with other Omegas of like-minded methods of service, unity and brotherly pursuits that ensure a sustained, uplifting presence in Central Arkansas now and the future.

D.A. Lambs - Charles D. Thompson - Bruce Horton Sr.

The conceptual thought of organizing an effort to seek and establish another chapter of Omega Psi Phi Fraternity, Incorporated began on January 22, 2004. A small group of strong, enthusiastic Omega men collective saw a greater need for Omega's presence in the Central Arkansas area.

This group of brothers, spearheaded by elder statesmen Bro. Charles D. Thompson and Bro. Bruce Horton, began meeting regularly to discuss this endeavor. The brothers who participated in this initial concept were Reggie Davis, John Roberts, James O. Williams, Kevin Bell, and Edward Sherrill. The brothers decided that the idea of applying for the charter was a worthwhile effort.

The brothers incorporated the help of Bro. Don Davis, District Representative, to guide them through the charter application process. It was decided that the chapter would be established in Allport, Arkansas. This geographical location was selected to place the chapter in position to bring about an Omega presence to serve the Allport community as well as the communities of North Little Rock and North Pulaski County.

HISTORY

Omicron Lambda Lambda is one of the largest growing chapters in the state of Arkansas. This chapter has proven to be one of the top leaders in the areas of community service and scholarship.

Each year that it has existed, the brothers have offered food baskets to community residents in need during the Thanksgiving and Christmas seasons. Also, the brothers have volunteered to feed the hungry at the Watershed during the holidays. Annually, toys and bicycles are provided to children in our communities. Additionally,

Omicron Lambda Lambda has awarded over \$150,000 in scholarship funds to deserving graduating seniors. Every year, since 2004, this chapter has pushed health initiatives through community health fairs. Participants have been able to get screenings for breast cancer, prostate cancer, HIV, Cholesterol, blood pressure, and our legendary Charles Drew Blood Drive.

The chapter has provided mentorship to students at schools throughout Pulaski County. Additionally, the brothers have provided daily snacks for children with special needs at some of the local middle schools.

The Omicron Lambda Lambda Chapter of Omega Psi Phi Fraternity, Incorporated is continuing to thrive through Friendship. We are one of the most active Omega graduate chapters and we continue to grow in numbers. Our brotherhood is unified as we continue to uplift our communities through commitment and excellence!

Basileus

**Reggie Davis, Pi Kappa, Spring 80, “Grease”,
OLL Basileus 2023 - Present**

Greetings,

As a charter member of this great chapter of Omega Psi Phi Fraternity, Inc., I am not only appreciative, but very proud of the progress that's been made over the twenty years of our existence. Starting with fifteen members in 2004 to over eighty chapter members in 2024 is a great accomplishment.

Because of the four cardinal principles: manhood, scholarship, perseverance and uplift, and our commitment to excellence, Omicron Lambda Lambda chapter prides itself in servicing the community. With our various programs: scholarship, mentorship, fatherhood, and the health initiative, along with our annual Thanksgiving and Christmas Food and Toy Drives, we as members of Omega Psi Phi, Fraternity, Inc. are striving to make a difference in our community.

Brothers, as we move forward towards our next 20 years, let's ask ourselves these questions, “Can we do more? Will we do more? Will we rededicate our commitment to the goals and principles established by this chapter and our great fraternity?”

Community Service

On July 22, in partnership with Keith Jackson and Positive Atmosphere Reaches Kids (P.A.R.K), members of Omicron Lambda Lambda, and Brother Harold Bailey, District Representative of the 9th District of Omega Psi Phi Fraternity, Inc., along with members of the Divine Nine greek fraternities and sororities, worked to fill backpacks in an effort to undergird students/parents as they prepare for back to school. We prepared more than 300 backpacks for families. Our support was beneficial and appreciated. What a way to bring UPLIFT to our communities, cities and counties.

Omicron Lambda Lambda Chapter of Omega Psi Phi, Inc., had the privilege to provided families in the Little Rock communities with food baskets to help provide a moment of joy during the Thanksgiving holidays. The baskets had all of the fixings for a traditional dinner to include a turkey and rack of ribs. The families were very appreciate.

This year we had our largest youth support at the event! We not only uplifted the communities by providing food, but we also invested in our communities by teaching, the youth, organization and leadership skills and showing the value of giving back.

Patrick Bouvier Smith

Biography Personal life

Patrick Bouvier Smith is a native of Bowling Green, Kentucky. He is a graduate of Warren East High School located in Bowling Green. He enrolled at Western Kentucky University in 1985 on an academic scholarship.

Bro. Smith became a member of Omega Psi Phi Fraternity Inc. through Western's Gamma Theta Chapter in the Fall of 1988. Bro. Smith graduated from Western in Spring of 1990 with a B.S. degree in Computer Information Systems and minor in mathematics.

Bro Smith met his future Quette and love Francetta, a proud member of Delta Sigma Theta Sorority (Sigma Chapter Clark College Fall 88), while they both were in high school; however, their relationship developed, and they fell in love while Francetta was attending Western Ky University obtaining her master's degree. Patrick and Francetta have been married for a blessed thirty-three years. They have four children (Dominic, Imani, Kayla and Cameron) and three grandchildren (Elisa, Christen and Karter).

Bro. Smith began his information technology (IT) professional career at Texas Instruments, Inc (TI) in Plano, TX. While at TI, Bro. Smith met several Omega men which were affiliated with Theta Alpha chapter (Dallas, TX). Bro. Smith joined Theta Alpha in June of 1990 where he remains a member to present day. In 1995, Bro. Smith left TI and joined MBNA corporation.

MBNA was acquired by Bank of America (BAC) in June of 2005. Bro. Smith a Vice President currently serves as a Senior Architect with BAC's Bank Lending and Products Technology division. Bro Smith works with a global team of software engineers to help bring digital solutions such as Online Banking and financial wellness tools for Consumer and Small Business Credit Cards and Deposit Consumer and Business accounts.

Bro. Smith is a faithful member of the Pilgrim Rest Missionary Baptist Church in Dallas, TX. where he works with the Transportation Ministry.

In his leisure, Bro. Smith enjoys watching Cameron play football (currently at Alabama St University) and his three grandsons play football, soccer and tee ball (baseball).

Friendship is Essential to the Soul

Omega Dear

Omega Dear, we are thy own
Thou Art our Life, our Love, our Home,
We'll Sing Thy praises far and nigh
We love Omega Psi Phi.
To all thy precepts make us true;
Live Nobly as all real men do;
Let manhood be our eternal shrine;
With faith in God and Heart and Mind.
Through days of joy or years of pain;
To Serve thee e'er will be our aim;
And when we say our last goodbye;
We'll love Omega Psi Phi.
