Vision

Eye-opening vision benefits

What is the vision benefit?

UnitedHealthcare® Vision provides valuable, supplemental benefits not covered by Original Medicare. The benefits — which include an annual routine exam and savings on a range of eyewear — are offered to help meet the vision needs of members, encourage their satisfaction and renewal, and attract new members.

Vision benefits for Medicare Advantage (MA) non-SNP, D-SNP, I-SNP, and C-SNP may include:

- \$0 copay on annual routine eye exam and eyewear allowances starting at \$100.
- Free standard prescription lenses including single vision, bifocals, trifocals, and Tier I progressives – all with scratch-resistant coating.
- Savings on lens upgrades including tinting, UV/anti-reflective coating, and polycarbonate lenses
- Access to one of Medicare Advantage's largest national vision networks of vision provider and retail locations.
- Eyewear available through online providers including Warby Parker, GlassesUSA.com and others

How can I make it simple for my members?

- Members can conveniently try on frames virtually or at home with Warby Parker and GlassesUSA.com
- To find a network provider, visit the Member Portal

Key Differentiators

- Includes free standard lenses, so the entire allowance goes towards frames
- A large national Medicare vision provider networks
- Access to mail-order eyewear through Warby Parker, GlassesUSA.com, UHCContacts, 1-800-Contacts and other online providers
