April 1 through Sept. 30: Monday - Friday, 8 a.m. to 8 p.m.
Oct. 1 through March 31: seven days a week, 8 a.m. to 8 p.m.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit **hap.org/medicare** or call **(833) 923-1887 (TTY 711)**, to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the List of Covered Drugs (Formulary). It tells you which Part D prescription drugs are covered under the Part D benefit. The formulary also tells you if there are any rules that restrict coverage for your drugs. To get the most complete and current information about which drugs are covered, visit **hap.org/medicare** or call Customer Service at the phone number above.

Understanding Important Rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2026.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Health Alliance Plan (HAP) has HMO, HMO-POS, PPO plans with Medicare contracts.
Enrollment depends on contract renewal.

Which doctors, hospitals, and pharmacies can I use?

HAP Medicare Prime (PPO) has a network of doctors, hospitals, pharmacies, and other providers. As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and medically necessary.

If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

HAP Medicare Superior (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website (https://hap.providerlookuponlinesearch.com/search).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*.

- Our plan members get all of the benefits covered by Original Medicare. For Medicare covered benefits, you will pay less in our plan than you would in Original Medicare.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.
- HAP Medicare Prime (PPO) is a Medicare health plan with a Medicare contract. Enrollment depends on contract renewal.
- HAP Medicare Superior (HMO) is a Medicare health plan with a Medicare contract. Enrollment depends on contract renewal.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, https://www.hap.org/medicare/member-resources/prescription-coverage/formulary-drug-list.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact HAP Medicare Prime (PPO) Plan or HAP Medicare Superior (HMO) for details.

You can ask HAP to give your PHI to people you choose. To do this, fill out our release form. You can find it at **hap.org/privacy.**

Your privacy

Keeping your PHI safe is important to HAP. We're required by law to keep your PHI private. We must also tell you about our legal duties and privacy practices. This notice explains:

- How we use information about you
- When we can share it with others
- Your rights related to your PHI
- How you can use your rights

When we use the term "HAP," "we" or "us" in this notice, we're referring to HAP and its subsidiaries. This includes Alliance Health and Life Insurance Company.

How we protect your PHI

We protect your PHI in written, spoken and electronic form. Our employees and others who handle your information must follow our policies on privacy and technology use. Anyone who starts working for HAP must state that they have read these policies. And they must state that they will protect your PHI even after they leave HAP. Our employees and contractors can only use the PHI necessary to do their jobs. And they may not use or share your information except in the ways outlined in this notice.

Our use and disclosure of your PHI must comply with both Michigan and federal privacy laws regulations. There are also Michigan and federal laws and regulations that place additional restrictions on the use and disclosure of certain types of PHI, including PHI about mental health, substance abuse, HIV/AIDS conditions, and certain genetic information.

Notice of Privacy Practices

For example, in most cases your written consent is needed before using or disclosing psychotherapy notes (if recorded or maintained by us), documents related to your use of Suboxone, sending you marketing information about 3rd party products or services for which we are receiving direct or indirect payment, or the sale of medical information about you, unless it is otherwise allowed by law. How we use or share your PHI

We only share your information with those who must know for:
