

Make your healthcare more *mobile*

Discover the apps worth downloading.

HAP App

With our HAP App, you can view the ID cards of everyone on your plan from the convenience of your smartphone. It can also be used to find a doctor or hospital, view plan and benefit information and view your claims. It provides direct access to the Express Scripts app to help manage prescriptions and pharmacy care.

To gain secure access to the app:

1. Visit hap.org/welcome to register your HAP account (if not already registered)
2. Download the app
3. Enter member ID number (from physical ID card)
4. Enter your HAP account password used to log in on hap.org
5. Click Login button

Assist America® app

Assist America offers global emergency medical services if you're ill or injured while traveling more than 100 miles from home, or while in a foreign country.

Log in to hap.org. Go to Member Perks and click on Assist America. You'll see the link to log in to get your exclusive HAP access code.

Wellness at Your Side™ app

The Wellness at Your Side app from WebMD™ gives you a fast, easy way to access your HAP iStrive® for Better Health account.

Once you download the app, you'll connect to HAP's wellness provider by entering "istrive" as the Connection Code. When asked for username and password, click on *Sign in using Company's SSO*. When it connects to the hap.org login screen, log in with your username and password. Your hap.org username is generally your HAP ID number.

HAP telehealth: Doctor visits 24/7 app

With the HAP telehealth app, powered by Amwell, you can talk to licensed, board-certified doctors who are available 24/7 for live, secure online care, including mental/behavioral health visits.

Download the app, click Sign Up and enter your information. For Service Key, leave blank.

Download these apps in the Apple App store or Google Play.
