D-SNP and C-SNP vision benefits

Regular eye exams not only help to correct vision problems, but they can also reveal the warning signs of undiagnosed health problems such as hypertension, cardiovascular disease and diabetes. That's why our Medicare Advantage plans include vision benefits in addition to the care and services provided through our medical benefits.

For HAP Medicare Complete Duals (HMO D-SNP), HAP Medicare Complete Assist (PPO D-SNP) and HAP Medicare Diabetes and Heart (HMO C-SNP), the vision plan network of providers is powered by EyeMed.

POWERED BY EyeMed

INDEPENDENT PROVIDER NETWORK + LENSCRAFTERS PEARLE VISION EST. 1961 TARGET OPTICAL HENRY FORD HEALTH | OptimEyes

Choose from a wide range of in-network vision providers, including independent eye doctors as well as regional retailers (like Henry Ford Health OptimEyes®) and national retailers (like LensCrafters®, Target Optical® and Pearle Vision®). You can also shop online with in-network retailers (like lenscrafters.com, ray-ban.com, glasses.com, contactsdirect.com and oakley.com).

For HAP Medicare Complete Assist (PPO D-SNP) members only: Some vision providers are not in our EyeMed Insight network. You can still use one of these providers, but you may have to pay more. We will only pay up to a set amount, you must pay the extra cost. For the lowest cost, use an EyeMed provider for routine vision services, such as lenses and frames. The same benefit limits apply whether you use an in-network or out-of-network provider.

Vision care made easy

Many of our participating providers offer evening and weekend appointments, so you can select an appointment that fits your schedule. To locate an in-network provider or schedule an appointment, please visit **hap.org/eyedoctor**. Once you arrive for your appointment, present your vision ID card or simply give the provider your name and date of birth. They'll take care of the rest.
