Diabetes Care Connection

Our personalized diabetes management approach offers a variety of ways to help you stay healthy by supporting your self-care plan for type 1 or type 2 diabetes.

Our diabetes care program offers clinically based support for you as a member. You'll work closely with your own healthcare providers and clinical team to create a customized self-care plan for managing your diabetes.

We support our members with:

- Finding a primary care physician
- A diabetes self-care plan to discuss with your doctor
- Diabetes educational resources and services
- Diabetes management technology
- Visit our diabetes care webpage to get started

Diabetes Care Connection: Manage better. Live better.

Please refer to the customer service phone number on the back of your health insurance card to speak with a service representative about any questions you may have.
