How this plan works

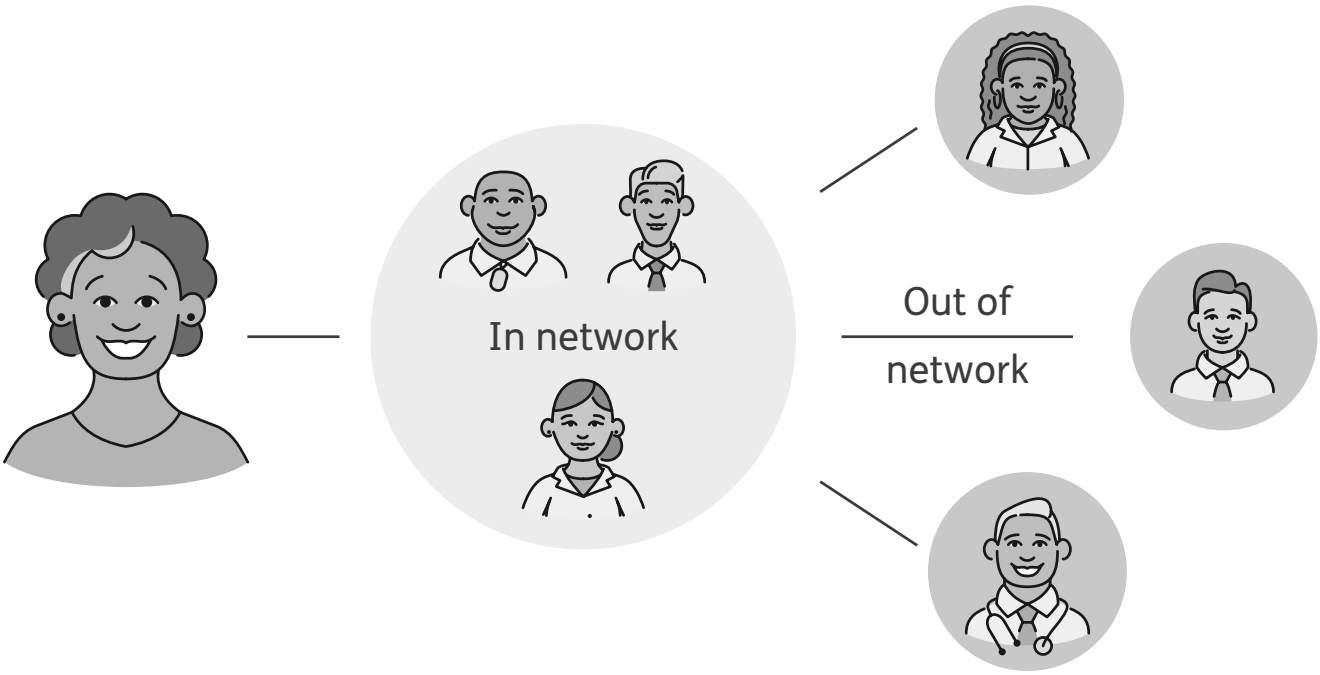

Here's how a PPO Medicare Advantage plan works. (See all your Medicare options on the next page.)

Preferred provider organization

Preferred provider organization (PPO) plans give you the freedom to get care in or out of network.

Using a Humana PPO plan

- In-network doctors** and hospitals cost less. They partner with your plan so you may pay less for copays, coinsurance and more.††
- There may be higher cost sharing or no coverage for care from out-of-network providers, except for emergency care. In some cases, the costs are the same in and out of network.‡‡
- No referrals needed to see a specialist.
- The plan may include worldwide coverage for emergency and urgent care when you travel.

** This information is provided for educational purposes only. It is not to be used for medical advice, diagnosis or treatment. Consult your healthcare provider if you have questions or concerns.

†† Any doctor who accepts Medicare and is willing to bill Humana. Humana PPOs may not be available in all areas. Benefits and cost share may vary.

‡‡ Please call our customer service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

Understand your Medicare options

Step 1 **Enroll in Original Medicare—offered by the federal government.**

Part A helps pay for hospital stays and inpatient care.

Part B helps pay for doctor visits and outpatient care.

Step 2 **After enrolling in Original Medicare, you can explore additional types of coverage—offered by private companies.**

Option 1: Choose a Medicare Advantage plan or Medicare Advantage Prescription Drug plan.

OR

Option 2: Enroll in one or more of these additional plan options.

Medicare Part C (Medicare Advantage) is made up of Parts A and B and may include Part D (prescription drug coverage) as well as additional benefits.***

Medicare Advantage enrollees who want **coverage beyond what's included in their Part C plan** have the option of purchasing individual dental or vision (IDV) plans or combined dental, vision and hearing plans.†††

Medicare Part D is offered as a stand-alone prescription drug plan (PDP).***

Medicare Supplement insurance plans help pay for some of the cost not paid by Original Medicare for covered medical services.

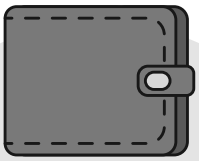

Individual dental or vision plans or combined dental, vision and hearing plans can help ensure coverage for all your healthcare needs.†††

*** If you don't enroll in Part D coverage when you're first eligible, you will generally pay a late enrollment penalty fee.

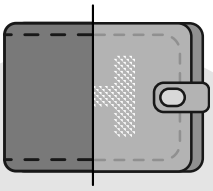

††† Plans are not available in all states. Plan benefits may vary by state. Refer to the plan documents for complete details of coverage. Dental and vision plans, excluding Dental Savings Plus, may have a minimum one-year initial contract period. Payment may include an administration fee. Association membership and fees may be required on some plans in some states. A one-time, non-refundable enrollment fee may apply (the fee is non-refundable as allowed by state requirements). Applicable fees are disclosed at time of enrollment. These are not Medicare plans. For Arizona: This is a solicitation of insurance. A licensed insurance agent/producer may contact you. For Texas: The age or gender on which that rate is based or in the case of IDV, neither age nor gender are used as a basis for the rates; that the rates are illustrative only; that a person should not send money to the issuer in response to the advertisement; and that a person cannot obtain coverage under the health benefit plan without completing application for coverage.

The Part D prescription drug stages

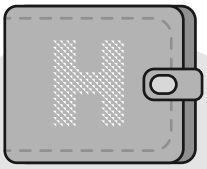

STAGE 1 Deductible:
you pay 100%

- A **deductible** is the amount you pay for your covered prescription drugs before the plan pays its share. **You pay all costs until the deductible is met.**
- Deductible amounts and tier exclusions vary across plans—many plans exclude commonly used medications from the Deductible Stage.

STAGE 2 Initial Coverage:
shared cost with insurance company

- **You pay only your share of the cost** (your copay or coinsurance amount) for covered prescription drugs while the plan pays the remaining cost.
- Both you and your insurance plan pay medication costs until your Part D out-of-pocket costs reach $2,400,‡‡ including what you pay for your deductible.

STAGE 3 Catastrophic Coverage:
insurance plan pays 100%

- **You pay nothing** for the rest of the calendar year.
- The plan pays for the full cost for your covered prescription drugs.

The amount you pay for your prescriptions****

During **Stage 2: Initial Coverage**, you pay your share of the costs through a copay or coinsurance.

A **copay** is a fixed amount you pay for your prescription medicine, such as $10 or $20, each time you fill a prescription.

Coinsurance is when you pay a percentage of the cost of the medicine, such as 20%. For example, if your medicine costs $100 and you have 20% coinsurance, you would pay $20.

‡‡ Announcement of Calendar Year (CY) 2027 Medicare Advantage (MA) Capitation Rates and Part C and Part D Payment Policies on page 95. https://www.cms.gov/files/document/2027-announcement.pdf

**** The amount you pay as a copay or coinsurance depends on your health plan, the Part D stage you are in and the tier of your medication.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **888-873-0686 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **888-873-0686 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary (Drug Guide) to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ This plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay/coinsurance for services received by non-contracted providers.

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP). Humana Full Access Giveback (PPO) has a network of doctors, hospitals, pharmacies and other providers.

Care and communication on your terms

Your privacy and well-being are important to us. There may be times when you want a family member or friend to talk to Humana on your behalf.

To make that possible, you must first complete a consent for release of protected health information (PHI) form. This form will allow you to choose a trusted individual who can have access to your protected health information. We would consider this person to be your family, friend or caregiver.

This is not a power of attorney (POA). To have someone help you enroll or to request account changes or updates, you must submit a POA or other authorization under state law to allow them to act on your behalf. You can submit POA and PHI consent forms together.

If you complete the PHI form and grant authorization to someone, we will consider that individual your caregiver who can:

- Speak to Humana on your behalf about the plan—but may not make or request any account changes or updates (unless they are your POA or have other legal authorization from the state to act on your behalf)
- Keep track of your benefits and claims
- Get answers to healthcare coverage questions
- Receive helpful information and advice on caregiving from Humana

How to get started*

You have three options for completing and submitting your consent form.

1. If you have a MyHumana account or plan to create one after enrolling, sign in to your account at **account.Humana.com**. Once signed in, use the search bar at the top right of the page and type in “give shared access” and follow the instructions.
2. Your agent can utilize one of our sales systems to help you complete a consent form electronically as part of your enrollment.
3. Complete the paper form included with this packet (after you have submitted your application and received your Humana member ID card).

You don’t need to use this consent form to authorize an individual if you are also submitting a POA or other legal authorization for the same individual.

* If you have previously submitted a consent form for this individual, you do not need to submit again at this time. We will notify you if your consent is due to expire.

Scope of Appointment form

It's important for you to understand the type of health product(s) that you can choose to discuss before your appointment with a licensed Humana sales agent. The Centers for Medicare & Medicaid Services (CMS) requires sales agents to document the scope of any personal marketing appointment. All information provided on this form is confidential, and a separate form should be completed by each beneficiary who wishes to discuss plan options or by their legally authorized representative. We look forward to speaking with you.

The licensed sales agent who will discuss the plan options with you is either employed or contracted by a Medicare plan. They do not work for the federal government. This licensed sales agent may also be paid based on your enrollment in a plan.

Signing this form does NOT obligate you to enroll in a plan, affect your current or future enrollment status, or automatically enroll you in a Medicare plan.

Medicare Advantage plans (Part C)

A Medicare Advantage (MA) plan provides all Original Medicare Part A and Part B health coverage and sometimes offers Part D prescription drug (MAPD) coverage and other additional benefits. There are different types of MA plans, such as:

Health maintenance organization (HMO) plan
This type of MA plan typically requires you to see only in-network providers and, on many plans, you do not need a referral from your primary care physician (PCP)* to see a specialist.

Preferred provider organization (PPO) plan
This type of MA plan gives you the freedom to get care in or out of network. In most cases, you'll pay less if you use in-network providers. Referrals to see a specialist are not required.

Private fee-for-service (PFFS) plan
On this type of MA plan, you may go to almost any Medicare-approved doctor, hospital or provider that accepts the plan's payment, accepts the terms and conditions and agrees to treat you.

Special Needs Plan (SNP)
This type of MA plan has a benefits package designed for people with special healthcare needs. Examples of groups served include people who have both Medicare and Medicaid, reside in long-term care facilities and/or have been diagnosed with an eligible chronic condition.

Stand-alone Medicare prescription drug plans (Part D)

Medicare prescription drug plans (PDP)
This stand-alone drug plan adds prescription drug coverage to Original Medicare and some other Medicare plans.

Other products

Medicare Supplement insurance plans
Medicare Supplement plans are standardized plans that can be bought with varying coverage options to help supplement your Original Medicare coverage. While an MA plan takes the place of Original Medicare, a Medicare Supplement plan is simply added to Original Medicare. Medicare Supplement plans have no provider networks and help pay some of the costs that Original Medicare does not pay. Medicare Supplement plans will not provide coverage when enrolled in a Medicare Advantage plan.

Dental plans
Stand-alone dental plans are available at varying levels of coverage at in- and out-of-network providers.

Vision plans
Stand-alone vision plans are available at varying levels of coverage at in- and out-of-network providers.

Hospital Indemnity plans
Hospital Indemnity plans cover some of the costs associated with hospital stays that may not be covered by a primary health plan.

* This information is provided for educational purposes only. It is not to be used for medical advice, diagnosis or treatment. Consult your healthcare provider if you have questions or concerns.

Thinking about adding separate coverage for dental, vision or hearing?

Talk to your licensed sales agent about what's covered in your Medicare Advantage plan. You may want to discuss your options for purchasing a separate non-Medicare plan with an additional premium to add coverage for dental, vision or hearing.

Humana offers individual dental or vision plans as well as combined dental, vision and hearing plans. Adding a separate plan is not required.*

* Plans are not available in all states. Plan benefits may vary by state. Refer to the plan documents for complete details of coverage. Association membership and fees may be required on some plans in some states. A one-time, non-refundable enrollment fee may apply (the fee is non-refundable as allowed by state requirements). Applicable fees are disclosed at time of enrollment. These are not Medicare plans. For Arizona: This is a solicitation of insurance. A licensed insurance agent/producer may contact you. For Texas: An invitation to inquire must include the following information: that the age or gender on which that rate is based (or in the case of IDV, neither age nor gender are used as a basis for the rates); that the rates are illustrative only; that a person should not send money to the issuer in response to the advertisement; and that a person cannot obtain coverage under the health benefit plan without completing application for coverage.

2026 Medicare Star Ratings

Official U.S. Government Medicare Information

CMS CENTERS FOR MEDICARE & MEDICAID SERVICES

Humana - H5216

For 2026, Humana - H5216 received the following Star Ratings from Medicare:

Overall Star Rating:	★★★½☆
Health Services Rating:	★★★½☆
Drug Services Rating:	★★★☆☆

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars show how well a plan performs.

★★★★★ EXCELLENT
★★★★☆ ABOVE AVERAGE
★★★☆☆ AVERAGE
★★☆☆☆ BELOW AVERAGE
★☆☆☆☆ POOR
