PriorityMedicare® Thrive Plus (PPO)

Jan. 1, 2027–Dec. 31, 2027

What is a Priority Health Medicare PPO plan?

PPO stands for preferred provider organization (PPO). With these plans, we don't require you to get a referral to see a specialist for care. You'll get the most value from your plan when using in-network providers, but you can see any provider who participates with Medicare. You don't have to choose a PCP, although selecting one can help you coordinate care.

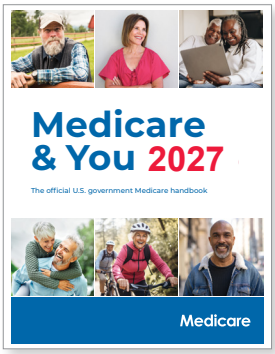

To confirm that your doctor, clinic or health center is part of the Priority Health Medicare network of providers, go to ***priorityhealth.com/provider-directory***.

Eligibility

In order to join any of our Medicare Advantage plans, you need to be enrolled in Medicare Part A and Part B and live in our service area. There are no exclusions for pre-existing conditions.

Prescription coverage

All of our Medicare Advantage plans include prescription drug coverage. To make an informed decision about your Medicare plan, review our provider/pharmacy directory. You generally need to use network pharmacies to fill your prescriptions for covered Part D drugs. To save even more on your prescription costs, use a pharmacy in our preferred pharmacy network. Make sure to review the approved drug list, also called a formulary, to see which drugs are covered by our plans. You can find in-network pharmacies and approved drugs on our website at ***prioritymedicare.com***, or call the Customer Care number.

Get a free copy of the *2027 Medicare & You* handbook.

View it online at ***medicare.gov*** or get a copy by calling 800.MEDICARE (800.633.4227), 24 hours a day, seven days a week. TTY users should call 888.309.5085.

You must have Medicare Part A and Part B to join a Medicare Advantage plan.

Paying your plan premium

You can pay your monthly plan premium, if there is one, (including any late enrollment penalty that you may have or may owe) by mail each month. You can also choose to pay your premium by automatic deduction from your Social Security or Railroad Retirement Board (RRB) benefit check each month.

If you are assessed a Part D-Income Related Monthly Adjustment Amount (D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security or Railroad Retirement Board benefit check or be billed directly by Medicare or RRB. Do NOT pay Priority Health the Part D-IRMAA.

People with limited incomes may qualify for extra help to pay for their prescription drug costs. For more information about this extra help, contact your local Social Security office, or call Social Security at 800.772.1213. TTY users should call 800.325.0778. You can also apply for extra help online at ***socialsecurity.gov/prescriptionhelp***. If you don't select a payment option, you will get a bill each month.

Please choose one premium payment option:

☐ **Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.**
I receive monthly benefits from: ☐ Social Security ☐ RRB

The Social Security/RRB deduction will begin once Social Security or RRB approves the deduction. Depending on when this is approved, you may receive a mailed invoice. In most cases, when Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from the deduction date listed above. If Social Security or RRB does not approve your request for Social Security deduction, we'll send you a monthly invoice for your monthly premiums. Should you disenroll from this plan, Social Security will refund your premium in your benefit check.

☐ **Get a bill monthly and pay the plan directly by mail or phone.**

Please read and sign below

By completing this enrollment application, I agree to the following:

- Priority Health Medicare plans are Medicare Advantage plans and have a contract with the federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare Advantage health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. Enrollment in this plan is generally for the entire calendar year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: Oct. 15 - Dec. 7 of every year) or under certain special circumstances.

- Priority Health Medicare serves a specific service area. If I move out of the area that Priority Health Medicare serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of Priority Health Medicare, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Priority Health Medicare when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that Priority Health Medicare provides coverage for me in the United States and around the world for emergency and urgent care.

- I understand that if Priority Health has not received my plan premium by the first of the month, they will send a notice letting me know that my membership in the Medicare Advantage plan and/or Enhanced Dental and Vision package (if applicable), may end if they do not receive my premium payment in full, within 90 calendar days.

- For **Priority**Medicare Thrive and **Priority**Medicare Thrive Plus plan enrollees: I understand that when my Priority Health Medicare coverage begins, I must get all of my medical and prescription drug benefits from Priority Health. Benefits and services provided by Priority Health and contained in my Priority Health “Evidence of Coverage” document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor Priority Health will pay for benefits or services that are not covered.

- **For Optional Enhanced Dental and Vision package enrollees**, I understand that the dental and vision services included in these packages are offered through vendors contracted with Priority Health Medicare. Benefit/coverage details, the amount you pay when using participating and non-participating providers, limits/exclusions, etc. can be found in the Evidence of Coverage or Certificate of Coverage document. The dental benefit is offered through Delta Dental. In-network benefits apply to services provided by a Delta Dental Medicare Advantage PPO or Medicare Advantage Premier participating dentist, in Michigan, Ohio or Indiana. All other dentists are considered out-of-network (nonparticipating) dentists. If the Dentist you select is not a Delta Dental Medicare Advantage Participating Dentist, you will still be covered, but you may have to pay more. The vision benefit is offered through EyeMed. In-network benefits apply to services provided by an EyeMed ‘Select’ network participating provider. Services provided by non-participating EyeMed Select providers are reimbursable up to a set dollar amount. Enrollment in this plan is generally for the entire calendar year. Although, I may leave this plan at any time. Please contact us or refer to your EOC (Chapter 4, Section 2.2) for instructions on how to disenroll.

- I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with Priority Health Medicare, he/she may be paid based on my enrollment in Priority Health Medicare.

- **Release of Information:** By joining this Medicare health plan, I acknowledge that Priority Health Medicare will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that Priority Health Medicare will release my information including my prescription drug event data to Medicare, who may release it for research and other purposes which follow all applicable federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

- I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the state where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under state law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Medicare expert at 888.309.5085 from 8 a.m. to 8 p.m. ET, 7 days a week (TTY 711).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit ***prioritymedicare.com*** or call 888.309.5085 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you may pay a higher copay to see them.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on Jan. 1, 2028.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.

Priority Health Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

If you qualify for extra help from Medicare to pay the premium for your prescription drug coverage, here's how much your monthly premium could be for your Priority Health Medicare plan.

The premiums listed here don't include the monthly Medicare Part B premium that you may have to pay.
