Scope of Sales Appointment Confirmation Form

The Centers for Medicare & Medicaid Services requires agents to document the scope of a personal marketing appointment prior to any individual sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative.

Please mark the type of product(s) you want the agent to discuss.
(Refer to page 2 for product type descriptions.)

- ☐ **Stand-alone Medicare Prescription Drug Plans (Part D)**
- ☐ **Medicare Advantage Plans (Part C) and Cost Plans**
- ☐ **Dental/Vision/Hearing Products**
- ☐ **Supplemental Health Products**
- ☐ **Medicare Supplement (Medigap) Products**

By signing this form, you agree to a meeting with a sales agent to discuss the types of products marked above. Please note, the person who will discuss the products is either employed or contracted by a Medicare plan. They do not work directly for the Federal government. This individual may also be paid based on your enrollment in a plan. If you would like to discuss additional products not marked above, a new form must be completed. This scope of appointment is only valid for 12 months after your signature date. Signing this form does NOT obligate you to enroll in a plan, affect your current or future enrollment, or enroll you in a Medicare plan.

Stand-alone Medicare Prescription Drug Plans (Part D)	
Medicare Prescription Drug Plan (PDP): A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.	

2027-18.09.001.1

Medicare Advantage Plans (Part C) and Cost Plans
Medicare Health Maintenance Organization (HMO): A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).
Medicare Preferred Provider Organization (PPO) Plan: A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.
Medicare Private Fee-For-Service (PFFS) Plan: A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You'll usually pay more to see out-of-network providers.
Medicare Point of Service (POS) Plan: A type of Medicare Advantage Plan available in a local or regional area which combines the best feature of an HMO with an out-of-network benefit. Like the HMO, members are required to designate an in-network physician to be the primary health care provider. You can use doctors, hospitals, and providers outside of the network for an additional cost.
Medicare Special Needs Plan (SNP): A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.
Medicare Medical Savings Account (MSA) Plan: MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.
Medicare Cost Plan: In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you'll be responsible for Medicare coinsurance and deductibles.
Medicare Medicaid Plan (MMP): An MMP is a private health plan designed to provide integrated and coordinated Medicare and Medicaid benefits for dual eligible Medicare beneficiaries.
Dental/Vision/Hearing Products
Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans aren't affiliated or connected to Medicare.
Supplemental Health Products
Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans aren't affiliated or connected to Medicare.
Medicare Supplement (Medigap) Products
Plans offering a supplemental policy to fill "gaps" in Original Medicare coverage. A Medigap policy typically pays some or all of the deductible and coinsurance amounts applicable to Medicare-covered services, and sometimes covers items and services that aren't covered by Medicare, like care outside of the country. These plans aren't affiliated or connected to Medicare.

Scope of Appointment documentation is subject to CMS record retention requirements.

Aetna Medicare is an HMO, PPO plan with a Medicare contract. Our D-SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. SilverScript is a Prescription Drug Plan with a Medicare contract marketed through Aetna Medicare. Enrollment in SilverScript depends on contract renewal.

  - You are enrolling in a plan with a $0 premium and you do not owe a late enrollment penalty.
  - You are enrolling in a Dual-Eligible Special Needs Plan (D-SNP) or an Institutional Special Needs Plan (ISNP).

Additional notes about payment and options

- Social Security will contact you if you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA). You'll have to pay this extra amount as well as your plan premium. You will either have the amount withheld from your SSA or RRB benefit check, or be billed directly by Medicare or the RRB. **Do not send your Part D-IRMAA payment to us**.
- Written EFT terminations must be received before the 1st of the month of the EFT transaction. EFT transactions will occur on the 10th of the month in the amount of the balance due.
- If you owe a late enrollment penalty, you can pay the penalty by EFT, mail or have it taken out of your SSA or RRB benefit check.
- People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at **1-800-772-1213 (TTY: 1-800-325-0778)**. You can also apply for Extra Help online at **ssa.gov/medicare/part-d-extra-help**.
- If you qualify for Extra Help with your Medicare prescription drug costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
