

**Did you know your Medicare Advantage Insurance may have out-of-pocket expenses?**

**GTL CAN HELP!**

**GTL's Hospital Confinement Indemnity Coverage:**

**Should You Have It?**

*A hypothetical situation:*

**Meet Sheila**

Sheila's highly rated Medicare Advantage Plan has a **\$300 per day** inpatient hospital co-pay for days 1 through 6.

Sheila experienced a 6-day inpatient hospital stay. Her Medicare Advantage\* co-pay was **\$1,800** (\$300 co-pay x 6 days = \$1,800).

**How did Sheila's GTL hospital confinement indemnity coverage help lower her out-of-pocket costs?**

GTL's hospital indemnity coverage pays a cash benefit for each day Sheila is in the hospital.

Sheila's GTL hospital indemnity coverage paid her a \$300 cash benefit for each day she was in the hospital (up to 6 days maximum). The cost of her hospital indemnity coverage is \$25.14 per month (based on age 65).\*\*

Since Sheila was in the hospital for 6 days, she received **\$1,800 in cash benefits** which she used to help cover her Medicare Advantage co-pay!

**Great News!**

Sheila's GTL inpatient hospital benefits restore an unlimited amount of times after 60 days without hospital confinement, so she may use her hospital confinement indemnity coverage again in the future!
