FIND A PROVIDER SEARCH TOOL

Find in-network providers with our easy to navigate provider search tool.

Start an In-network Provider Search

Find in-network providers for Ambetter Health's Premier, Select, Value and Solutions network plans with the Find A Provider (FAP) search tool. It's important your clients understand that each Ambetter Health product has a different provider network and how important it is to select the correct network for their provider searches.

Members can search for an in-network through the FAP search tool or through their Member Portal. Logging into their Member Portal provides the most accurate results.

Go to findaprovider.ambetterhealth.com.

On the FAP search tool click **Search for a Provider**.

Find a provider in your network, including doctors, pharmacies, and other healthcare facilities.

Medical Groups and the Value Network

When conducting a provider search for a Value network plan with multiple provider groups, you must select a Medical Group from the **Medical Group** drop down. It's important you select the correct medical group for your search.

Important Note: An alert will be shown if a referral is required from a PCP. Referrals are required for all medically necessary healthcare services not provided by a member's PCP, excluding emergency care, urgent care, mental health, substance use disorders, OB/GYN and any state-mandated exemptions.

Nurse Advice Line

We make it possible for you to talk to a registered nurse at any time—24 hours a day, 7 days a week, 365 days a year.

Our nurse advice line helps you and your family receive the care you need, when you need it. It's staffed with experienced nurses who are ready and eager to help you.

You can call our nurse advice line with all of your health questions and concerns, such as:

- "I went to the doctor. Now I have a follow-up question."
- "I'm pregnant and am having stomach pains. What should I do?"
- "My son has a fever. Do I need to go to the ER?"

Sometimes, you may not be sure if you need to go to the emergency room. But you can always call our nurse advice line first. They'll be able to help you decide if you have a real emergency and need care right away.

Select your state to get started:

They'll be taken to the state-specific Nurse Advice Line web page for the selected state. *(Florida used for this example.)* Nurse Advice Line is reached through the Member Services phone number. On the call after selecting a language, choose the Main Menu (# sign) then Member (option #1) and then Nurse Advice Line is option 9 (Speak to a nurse for medical advice).
