Our 2027 supplemental benefits

Food & Home Card*

This is a **monthly card-based allowance** that can be used toward healthy foods, rent, mortgage, and utility costs.

Over-the-counter (OTC) benefits

How it works

- We partner with CVS Flex Benefits to offer this benefit.
- Members can make purchases using their Devoted member ID card or by providing their member ID, date of birth, and ZIP code at checkout.
- Eligible items are listed in a catalog that's available both in print and online.
- The OTC benefit is a quarterly allowance. **Unused funds do not carry over to the next quarter.**

Shopping for OTC items

- **Home delivery:** Members can order by phone or online and get items shipped directly to their home.
- **In-store:** Members can purchase eligible items at any standalone CVS or Longs Drugs location.

This is a **quarterly allowance** to spend at CVS on eligible OTC items, like toothpaste, vitamins, pain relievers, and more.

Vision & eyewear benefits

Key highlights

- An annual **eyewear allowance** is offered through a participating vision vendor — **Premier Vision** or **EyeMed**.
- **Prescription glasses and/or contact lenses** are covered.
- Members simply **present their Devoted member ID card** at participating provider locations.
- **Routine eye exams** are also included.
- Members can find in-network providers by calling us or visiting devoted.com/search-providers/.

*The Food & Home Card is a special supplemental benefit offered on certain plans, and available only to chronically ill members with conditions like diabetes, chronic heart failure, cardiac arrhythmias, coronary artery disease, or peripheral vascular disease; qualifying conditions vary by plan. All applicable plan coverage criteria must be met and other conditions are eligible. Not all members qualify.

Our 2027 supplemental benefits

Dental benefits

Overview

Depending on the plan, dental benefits can be reimbursed directly to members or offered through an allowance that can be used with in-network dental providers. All services (preventive and comprehensive) count toward the annual dollar limit.¹

- Members can **see any dentist, pay out of pocket, and submit for reimbursement**. Cost sharing applies to comprehensive services on most plans.
- There is **no network**. Members can see any dentist in the U.S.²

Network-based

- Members have **access to in-network dentists with a set dollar amount of coverage**. Cost sharing applies to comprehensive services on most non-SNPs (and some SNPs).²
- **Devoted Dental (Alabama) or Liberty Dental (all other service areas)**. PPO members can see out-of-network providers, but dollars will go further **in-network**.

Fitness benefits

Wellness Bucks

Members may be reimbursed for:

- Fitness classes, including **yoga** or **Zumba®** — online or in person
- Weight-management programs (e.g., **WeightWatchers®**)
