

# EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

No.: 0475-CPR-158

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011, laying down harmonised conditions for the marketing of construction products, it has been stated that the construction product

## Steel structural component up to EXC 2 in accordance with EN 1090-2

**Declaration Method:** 1 - 3a according to table A.1 of EN 1090-1:2009 + A1:2011, Annex A  
**Fabrication processes included:** Preparation - Assembly - Welding - Mechanical fastening  
**outsourced:** Corrosion protection (hot dip galvanizing only)  
**excluded:** None  
**Welding Certificate:** This certificate is valid only in conjunction with the welding certificate No. 2/IT/465 issued by IIS CERT in accordance with EN ISO 3834-2  
**Remarks:** None

produced by the manufacturer

**FIBAS S.R.L.**

in the factory

**VIA CASTEGGIO, N. 3 - 21052 BUSTO ARSIZIO (VA)**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body *IIS CERT* (No. 0475) has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the following Standard were applied.

## EN 1090-1:2009+A1:2011

This certificate was first issued on 19 February 2015 and remains valid as long as the conditions laid down in the technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
