

To our valued community members,

The Meridian High Warriors football program is gearing up for another season, and our booster program invites you to join in on the fun by becoming a team sponsor!

From raising money for a fresh set of uniforms, to making sure each one of our boys is fed before each game, the booster program is here to make sure each player has the best hometown football experience. That's where you come in!

We'd love to welcome your business into our Warrior Family by becoming a sponsor for our 2026 season. We've got sponsorship options to fit all playbooks- from small business MVP's to championship supporters! Attached is each tier at which your business can sponsor our team.

Thank you for your consideration and we hope to see you under the Friday night lights! Go Warriors!
