TOWN OF MAYODAN

## WASHINGTON MILLS PARK

### Phase 1 Park Construction

## Washington Mills Update

Design work continues on Phase 1 of Washington Mills Park, with the refined site layout approved by Town Council at the most recent meeting. Phase 1 focuses on core park infrastructure and recreational amenities supported by awarded grants, including pickleball and basketball courts, multi-use and natural surface walking trails, river access improvements, and stormwater bioretention features. Background information regarding the existing building was also provided for long-term planning purposes only, with no action or decision taken at this time.

### Downtown Side Walk Project

Progress continues on the downtown sidewalk project along Main Street. Crews are working on excavation, grading, and concrete preparation to improve pedestrian safety and accessibility. Temporary traffic measures are in place for everyone's safety. Thank you for your patience as we work toward completion.

### Meet Lucy, The Town's NC Lead Fellow!

Lead for North Carolina is a fellowship program that connects talented, emerging leaders with local governments across the state. The program is designed to help communities build capacity and strengthen public institutions, while also developing the next generation of dedicated public service professionals. Through this innovative initiative, fellows gain hands-on experience working in municipal government and supporting meaningful projects that benefit residents. You can find Lucy at town hall working to make an impact on Mayodan.

# Macy Is A Certified Playground Inspector!!

The Town of Mayodan is proud to congratulate Macy on earning her Certified Playground Safety Inspector certification! As a Certified Playground Safety Inspector, Macy is trained to recognize and identify potential hazards within playgrounds that may not be visible to the untrained eye. By following established safety guidelines and best practices, she plays an important role in helping eliminate risks, creating a safer environment for children and families in our community. This certification is a valuable asset to the Town of Mayodan and our parks system — including the future playground at Washington Mills Park. Macy's dedication helps ensure our playgrounds remain safe, welcoming spaces where families can gather and children can play with confidence. Thank you, Macy, for your commitment to the safety and well-being of our community!

## Important Dates

### FEBRUARY

16	17	18	19	20	21	22
23	24	25	26	27	28	

### February Town Council Agenda

## Welcome to Mayodan Jordan

The Town of Mayodan is proud to welcome Officer Jordan Neal as the newest member of the Mayodan Police Department. A Rockingham County native, Officer Neal earned his Basic Law Enforcement Training (BLET) certification from Guilford Technical Community College (GTCC). He also previously served with Rockingham County EMS, bringing valuable experience in emergency response and public service to his role with Mayodan PD.

### Winter Safety Tip

With colder temperatures and the possibility of snow or ice, please use extra caution when traveling. Slow down on icy roads, allow extra travel time, and keep an emergency kit in your vehicle that includes blankets, water, a flashlight, and a phone charger. Remember to check on elderly neighbors and bring pets indoors during freezing temperatures.
