TOWN OF MAYODAN

Mayodan Matters

Welcome to the first edition of the Mayodan Monthly! This newsletter is designed to keep our community informed, connected, and engaged. The Town of Mayodan is committed to honoring our history while moving forward with integrity, transparency, and collaboration. Guided by our core values—We Keep Our Word, We're Better Together, We Put People First, and This Is Home—we strive to provide excellent services and foster a safe, welcoming community for all who live, work, and visit Mayodan.

Downtown Side Walk Project

Progress continues on the downtown sidewalk project along Main Street. Crews are working on excavation, grading, and concrete preparation to improve pedestrian safety and accessibility. Temporary traffic measures are in place for everyone's safety. Thank you for your patience as we work toward completion.

RMS Grant Awarded

We are proud to recognize Joey Hudy and the Town of Mayodan Public Works Department on being awarded the NCLM RMS Safety Grant. This grant will allow the team to purchase new traffic cones, helping improve safety.

Mayodan Fun Facts

- 1.) Did you know Mayodan is named for its location at the point where the Mayo and Dan River meet.
- 2.) Did you know that Washington Mills-Mayodan Plant was listed on the National Register of Historic Places in 2005.

Employee Recognition At The January Town Council Meeting

The Town of Mayodan is proud to recognize several employees for their recent professional achievements. Tyler Priddy has successfully completed his Commercial Driver's License (CDL) Certificate, strengthening our Public Works team and enhancing service to our community. Additionally, Lieutenant Fellows, Sergeant Bowman, and Officer Wilson have earned their Advanced Law Enforcement Certificate. This distinction recognizes a combination of years of service, job-specific professional training, and formal education. We appreciate their dedication to continued learning and their commitment to serving the Town of Mayodan with excellence.

Washington Mills

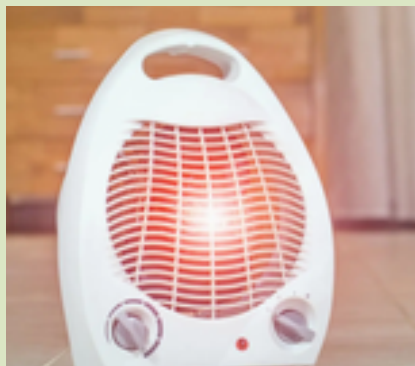

Pictured here is Washington Mills, a cornerstone of Mayodan's early history. In the late 1800s and early 1900s, the textile mill played a vital role in shaping the town's growth, providing jobs and helping transform Mayodan into a thriving mill community.

Highlights From The January Town Council Meeting

Fire Safety Tip

Fire safety tip is to use space heaters safely. Always keep space heaters at least three feet away from anything that can burn, such as curtains, furniture, or bedding. Turn heaters off when leaving the room or going to sleep, and never plug them into extension cords.
