Railroad to Temporarily Close NC 135 Crossing in Mayodan; Town Shares Detour Information

Crossing expected to close for three to four business days starting Tuesday, November 17, 2026, at 8 a.m.

MAYODAN, N.C. — The railroad crossing at NC 135 in Mayodan will be temporarily closed starting Tuesday, November 17, 2026, at 8 a.m., so that Norfolk Southern can replace the crossing. The closure is expected to last three to four business days. The closure was scheduled by the railroad, and the Town of Mayodan does not control the crossing or the timing of this work.

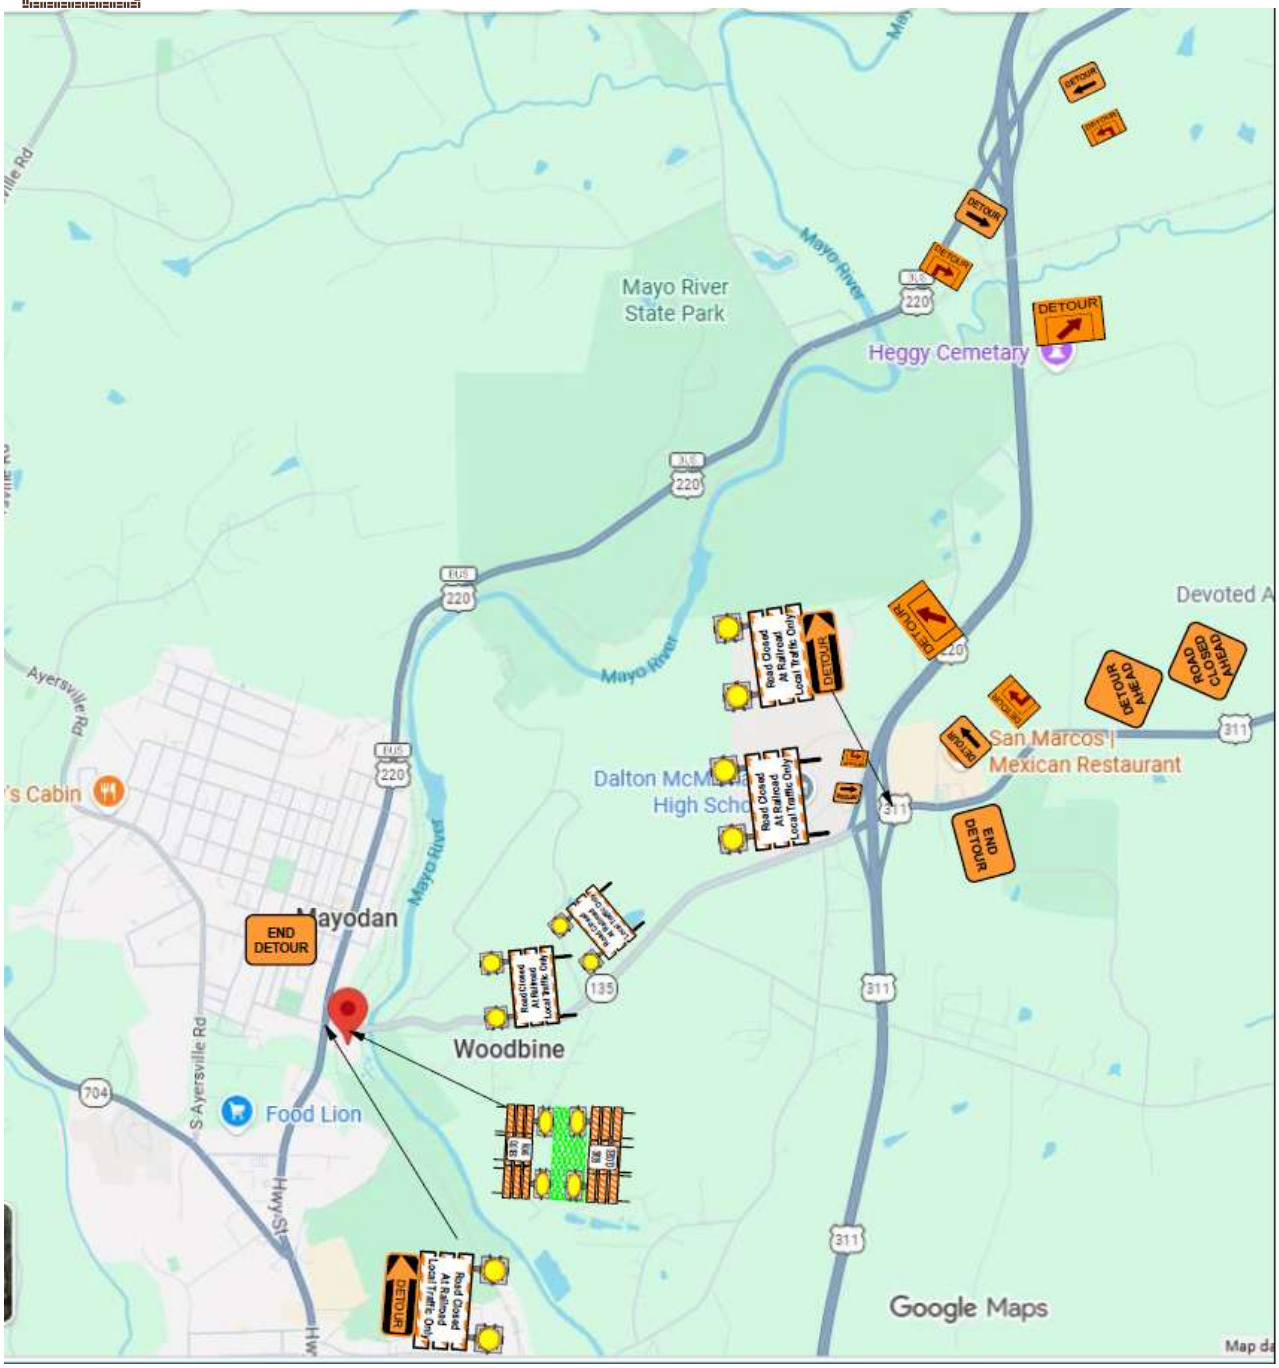

The Town was notified of the closure by the railroad and is sharing this information so residents, businesses, and emergency services can plan ahead.

What to Expect

- **Location:** Railroad crossing at NC 135, Mayodan
- **Work performed by:** Norfolk Southern
- **Timing:** Starting Tuesday, November 17, 2026, at 8 a.m.
- **Duration:** An estimated three to four business days
- **Detour:** Detour routes attached
- **Questions about the railroad work or schedule:** Contact Geoff Reeder at 419-453-3166 geoff@SSSTraffic.com.

The schedule is set by the railroad and may change due to weather or work conditions. The Town will post updates as it receives them. Residents are encouraged to check the Town's website and social media channels for updates.

“We understand this closure will be an inconvenience. While the work is outside the Town’s control, we are working to make sure residents, businesses, and emergency responders have the information they need.” — Melody Shuler, Town Manager
