

Francesca and Alexandra, Diane and Irving Panciera,
Valerie Panciera and Kevin Rieth

The Panciera Family has been dedicated to funeral service since 1962. Valerie Panciera and Kevin Rieth sincerely believe that our commitment to those we serve does not end on the day of a loved one's funeral. The survivors need care, and the nurturer needs nurturing.

- Motivational speaker encouraging children and adults to reach their full potential on a personal as well as professional level.
- A published author and much requested speaker both locally and nationally.
- Celebration of Life Services – A personalized service based on love, dignity and respect. Valerie officiates a ceremony affirming that a life has been lived and that life had meaning and value to those who survive.

We come together for a mutual purpose. We are united for a common goal. Unity provides strength. Allow us to reach out to you, as you reach out to one another.
