A new range of products that came to be the "challenger" in the packaging market...

The first items for kids parties with an original educational character are released by INTERTAN SA. An innovative idea, a concept that has already gain the impressions, as it "transmits" environmental messages to children, from pre-school age.

Tessera4kids, inspired by the **Tessera Sustainable Packaging®** range, which represents the 4 elements of Nature: EARTH, WATER, FIRE, AIR, is specially designed to educate through fun our little friends!

The 4 elements of Nature are transformed into 4 natural heroes, who think, communicate and act, utilizing the **POWER OF NATURE!**

Η Ιστορία του Sandwich

Το σάντουιτς δεν ήταν εξαρχής το πασίγνωστο σνακ που είναι στις μέρες μας, αλλά μία ιστορική πόλη στην νοτιοανατολική Αγγλία. Ο πειρατής κόμης του Σάντουιτς, έμεινε στην Ιστορία ως ο πρώτος άνθρωπος που «επιτέλεσε» το συγκεκριμένο είδος φαγητού.
