Chamber Check

Update Your Info. Members have the ability to update information on the new Chamber Nation membership database. Update your information if you have a change of address, new contact information, or new hires who should receive chamber news. Updating your business information is essential for your Directory listing. Be sure to upload your business logo.

Attend an Event. The Chamber offers multiple networking events each month and several capstone events each year, like our Wickenburg Leadership Institute. Get to know other chamber member businesses, meet new people, and make important connections. Watch for calendar dates through the Hassayampa Alert newsletter, weekly Chamber Connections emails, and Facebook postings.

Testimonial Tuesdays. It's a great way to show how we've helped your business, and we will promote it on Facebook and other social media. Send details to Sierra Blunt at graphics@wickenburgchamber.com.

Refer Business. Our chamber is a strong community, ready to support one another. Refer clients and customers to Chamber businesses, just as other members will do for you. Be sure you do business with other members too and let them know when you do! Pick up cards from our office to include your name, then leave it as you shop with chamber businesses.

Offer A Member Deal. Member-to-member deals are a great way to get your brand out. We showcase members each month who do business with each other on social media and on our website under Member Benefits. Offering a deal can generate new business.

Free Facebook Feature. Each week we feature Chamber businesses who share what they are doing. Just email or call us; we only need a little information to promote your business at no cost you!

Connect with the Chamber

Your chamber membership enables meaningful connection and the ability to build new working relationships.

Each month we offer members several opportunities to gain more community visibility. The monthly Business after Hours Mixers attract business owners, managers, and community leaders. Members have the chance to speak and share information or news about their business, and new members are introduced to the group. Learn more about chamber committees and connections by contacting the Chamber at info@wickenburgchamber.com.

Travel Opportunities with Collette

We're partnering with member Collette Vacations to offer two great travel packages to our members!

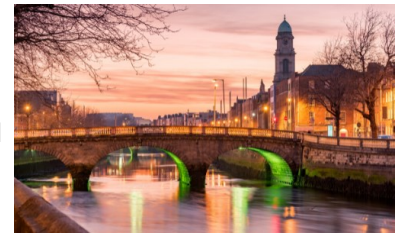

TRIP #1: Washington, D.C., Niagara Falls, and New York City, October 22-30, 2021:

The first trip will take members to the east coast, exploring Washington, D.C., Niagara Falls, and New York City. Enjoy touring some of America's most iconic cities, and visit the roaring falls just across the Canadian border.

TRIP #2: Shades of Ireland Tour, March 22-21, 2022:

The second trip will take members across the pond to beautiful Ireland. Enjoy the rich history, rolling hills, and warm smiles in some of Ireland's oldest cities.

If you'd like to learn more about each trip, we have the full information and reservation packets available on our website at wickenburgchamber.com/travelwithcollette.

We'll be hosting a trip orientation at the Chamber on **Tuesday, July 13** at 5:30pm. Call 928-684-5479 if you'd like to attend.

Sponsorship Opportunities:

Keeping your business visible is one key to business success, and the Chamber has several ways you can increase that visibility throughout 2021.

- Ask about sponsoring monthly Business After Hours mixers in 2022.
- Donate a door prize and get recognized for your support.
- Sign up to host one of our Quarterly Membership Luncheons and morning Business Over Coffee mixers.
- Teach a class for Chamber University Lunch 'n Learn Seminars.
- Another option is to tell your business story through a brief 60-word article in the Hassayampa Alert.
