"Adams Electric would like to thank the Wickenburg Chamber of Commerce and recognize them for helping put Adams Electric on the map. We are excited to head into our third year of business this coming January. We would also like to announce that we were able to get approved for an SBA loan through resources we learned about through the Wickenburg Chamber. This loan is through Prestamos CDFI, LLC. We learned how to write a business plan through this program and worked with one of their business advisors, Damian Preciado. Prestamos CDFI is a division of Chicanos Por La Causa that helps small businesses get attention with their business needs, growth in education, and also how to get the funding they need in order to mitigate costs in start-up and operations. We owe Wickenburg Chamber of Commerce a huge THANK YOU! They have helped us network, find classes for small businesses, and funding. They are full of resources and we would urge business owners to join! Thank you! Mike and Tammy Adams, Adams Electric L.L.C.—proud supporting members of Wickenburg Chamber of Commerce."
