Losing someone you love is a devastating experience. It is frequently traumatic and may impact judgement. We believe it is extremely important to hold a meaningful celebration of a life that has been lived and we will assist in arranging appropriate services to meet your individual needs.

It is important for families to be realistic in respect to funeral expenditures. We do not want any family to spend more than they are comfortable spending. What is most important is that the services are keeping with a family's wishes as well as keeping within their budget.

Payment Policy

To avoid any possibility of misunderstandings, we ask that payment is due in full at the time when the family comes in to make the funeral arrangements. Unfortunately, we are unable to schedule any services until payment has been received in full.

For your convenience, we accept:

- Cash
- Check
- Credit/Debit Card - Visa, MasterCard, Discover, American Express
- Certified Check
- Pre-Paid Funeral or Cremation Plan from our funeral home or any other funeral home
- Life Insurance*: must be verifiable, assignable, and past the contestability period of 24 months. We cannot accept insurance for cases where the Coroner or Medical Examiner has filed a "pending" death certificate.

*Please Note: If you pay with insurance, we have an insurance processing surcharge fee of 3.5% on the amount assigned.
