GENERAL PRICE LIST

Prices are effective as of October 8, 2025, and are subject to change without notice.

OUR PAYMENT POLICY

We do everything possible to control expenses while offering the highest quality services available. When comparing facilities, staff, and services with others, we think you will discover the best value in the region. To help us maintain our high standards of care, all services are treated as cash transactions. As a business, we are unable to provide financing; therefore, monetary arrangements must be secure when services are selected. In the event the decedent's funds are not immediately available, the responsible party(ies) may look after payment and file for reimbursement from the estate. Payment may be made by cash, check, credit card, with assignable life insurance (a 5% fee is imposed for this service) or by a fully funded pre-paid plan. We accept Visa, Mastercard, American Express and Discover. If using an assignable life insurance policy or policies, services cannot be scheduled until the policy and beneficiary have been confirmed by the life insurance company.

GENERAL PRICE LIST

This list does not include prices for any items you may ask us to purchase on your behalf such as flowers, honorariums, certified copies of death certificate, obituaries, etc. The prices for these items will be shown on the Statement of Goods and Services Selected.

Outer Burial Container Price List October 8, 2025

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the ground will not sink in. Either a grave liner or burial vault will satisfy these requirements.
