

**Season’s Greetings from the RL Ingram Team,**

The holidays are just around the corner, and the team is busy preparing for our annual Children’s Home Christmas gift drive. Many of you are already getting into the holiday spirit — putting up your tree, watching Christmas movies, or playing festive music — but we also know that this season doesn’t bring the same joy to everyone in our community. In light of this, we once again want to spread love and Christmas cheer to youth in local group homes by providing them with gifts on Christmas morning.

Last year, we were overwhelmed and deeply moved by your generosity and support. Because of your incredible response in 2024, we are expanding our efforts in 2025. This December, we will be sponsoring youth in two local children’s homes:

**The Children’s Home of Reading (CHOR)  
Bethany Children’s Home**

Together, these homes serve over 100 teens and young adults from our community, many of whom will receive no other gifts. With your help, we hope every one of them can wake up to presents on Christmas morning and feel the joy and love this season brings.

**If you would like to help us meet our goal, there are two ways to participate:**

- 1. Sponsor a Wish List:** Contact any member of the RL Ingram Team to receive a wish list for one or more child/young adult. Please know that each child’s wish list contains 4 items and costs approximately \$100 to fulfill. Bring the unwrapped gifts to us or to one of our designated drop-off locations throughout Berks and Lancaster Counties OR at our community drop-off night on December 16.
- 2. Give a monetary donation:** Reach out to any team member if you prefer to contribute financially with the amount of your choosing. These donations go towards the purchase of gifts.

**All gifts must be received by December 15-16** in order to be delivered to the children’s homes by December 17th, where their staff will wrap and distribute everything in time for Christmas morning. If you have any questions, please contact any member of the RL Ingram Team — we’re happy to help.

*Thank you for partnering with us to bring joy and hope to these well-deserving youth this Christmas season!*

Warmly,  
The RL Ingram Team
