Introduction

Welcome and congratulations,

We are thrilled that you have decided to undertake your studies with us and congratulate you on the commencement of this exciting learning journey.

As a Registered Training Organisation (RTO), we deliver nationally recognised vocational education and training that complies with the VET Quality Framework. This legislative framework ensures that you, the Student, can rest assured that quality processes and systems underpin both the way in which we conduct our business and the educational information you will receive throughout the course

In addition to this legislative framework, the nationally recognised training programs that we offer are based on qualifications from national training packages, ensuring that the skill, knowledge and attitudes you develop throughout your learning journey have been identified by industry, for industry. This, simply stated, means that you; whether you are looking for a job, a promotion or a change in career; will develop a set of competencies that sees you 'employable'.

This Student Handbook is designed to provide you with answers to most common student queries. It is not, however, designed as a replacement for conversations directly with our learners, so please, we invite you to build a relationship with your Trainer and with our support team below.

Discipline

We expect that fair and equitable treatment is a reciprocal arrangement and as such have documented guidelines for management of inappropriate student behaviour.

In the first instance:

Students will be asked to cease any behaviour considered inappropriate either by Trainers, Assessors, workplace or other Students. No argument will be entered into in relation to individual perceptions about 'appropriateness' – if the behaviour has offended, then it will be considered offensive and is therefore inappropriate.

In the second instance:

Failure to desist will result in a second request for behaviour to cease and may include temporary and short-term ejection to allow for reflection and cooling off and/or written advice. These interventions will be used at Trainer/Assessor discretion.

In the third instance:

Failure to cease inappropriate behaviour will result in ejection from class for the day. We reserve the right to permanently eject students for ongoing inappropriate behaviour without refund. This decision will be made on a case-by-case basis considering evidence at hand and level of inappropriate behaviour.

Student Interviews

Prior to enrolment, it is our policy to conduct student interviews. All student interviews should be conducted in accordance with the following procedure:

1. A Trainer will contact the student following expression of interest. During this initial contact it will be determined whether a 'Phone' or 'Face to Face' interview is most appropriate;
2. If the student interview is to be conducted by phone, a time that is convenient to both the student and the trainer should be agreed and diarised, allowing adequate time for the student to receive the documentation outlined in the Student Induction Checklist;
3. At this point the appropriate forms and documentation should be dispatched to the student;
4. If the student interview is to be conducted 'Face to Face', a time that is convenient to both the student and the trainer should be agreed and diarised;
5. Whether by 'Phone' or 'Face to Face', all interviews must be conducted in accordance with the Student Induction Checklist;
6. If during the interview the trainer becomes aware of support needs, these are to be discussed with the student and a support plan be documented and included with the Training Plan. A Training Plan is to be developed and discussed with the student. This is to be signed by the student and the trainer.
7. Should Students require support outside of the services available through the existing staff at EDB Training Services we can assist in identifying the appropriate support service as well as organising access to such services. Services referred to may include but are not limited to language, literacy and numeracy, counselling, etc. Please note, such services may attract an additional fee to be paid to the service provider. Such fees are the responsibility of the Student.

First Aid

Please inform your trainer, or our support team upon enrolment or arrival of any medical conditions such as allergies.

Injuries or accidents should be reported to a member of staff immediately.

Induction and Orientation:

To ensure you are ready to commence and completely comfortable with the journey you are about to embark on, your trainer and assessor will spend time with you, either individually or in a group to induct and orient you to the program.

This is your chance to ask questions, to work with the trainer/assessor to identify specific needs you may have and to customise the program to your learning needs.

Student Support:

EDB Training Services is dedicated to providing a high standard of service to Students. Students can contact their Trainer by phone, email or post during office hours.
