# What happened in November

Sunday 09 November 2025: ADAM SHOALTS

A sold-out audience learned about the unbelievable exploration journeys Adam has taken. Incredible!

Rachel with **Lake House Books** in Port Stanley accompanied Adam for the release of his latest book *Vanished Beyond the Map: The Mystery of Lost Explorer Hubert Darrell*.

Friday 21 November 2025: LUCAS WILSON

Lucas Wilson brought his illusions and his famous - escape from a straight jacket - Guinness Book of World Record illusion to the Periscope Playhouse.

Special thank you to the Vienna SWANS who donated funding to cover the cost of a special field trip show for the students at the Port Burwell Public School to attend an afternoon of fun!

Saturday 29 November 2025:  
**COUNTRY CHRISTMAS CONCERT**

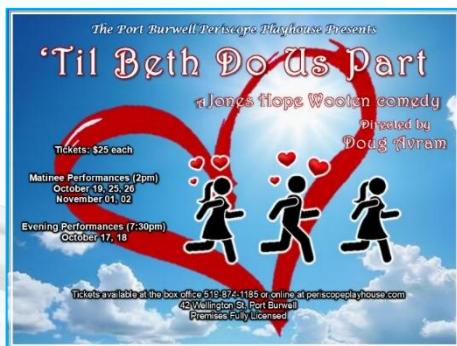

Nothing says Christmas like a good ole, down home Country Christmas!

The **Too Country Band** with **Rick Loucks** and special guests **Crystal Gage** and **Wayne Ferguson** on fiddle didn't disappoint the crowd with a special Country Christmas Concert.

Fall Play (Oct/Nov 2025): 'TIL BETH DO US PART

The cast and crew from **'TIL BETH DO US PART** would like to thank everyone who came out to see this hilarious play in Oct/Nov. A special thank you to Marc Mooney, with the Western Ontario Drama League who visited the Periscope Playhouse to adjudicate the play. This was a first for the Playhouse and we were thrilled with the learning opportunity and most helpful feedback received.

# Sponsorship Opportunity!!

Want to be a part of the fun in 2026? Consider sponsoring a show!

We have a Canadian Premiere play **LAUGH, CRY, PEE, REPEAT** written by Patti Caroli, Carole Fenstermacher and Natalie King, being produced in May 2026 and directed by Gord Walker.

This is an incredible opportunity for you or your organization to be a sponsor of what will no doubt be an outstanding production.

There are many sponsorship options available throughout the year at the Port Burwell Periscope Playhouse. For more details on how you can be part of the fun call Karen Bechard 519-282-6691.

## Indoor Walking Group

### INDOOR WALKING GROUP - Winter schedule

Come on down to the Periscope Playhouse theatre to participate in a low impact indoor walking group that will be gathering on **Mondays and Thursdays at 5:30 pm** and **Saturday mornings at 10 am**.

The walks are easy and fun to do. Keep moving through the winter and come and meet some new friends too. Everyone is welcome!

# Donation News

The Periscope Playhouse would like to thank the estate/executors of the late **Marjorie Mae McDonald** for their kind and generous donation of beautiful furniture and props for use at the theatre. Thank you for thinking about our community theatre as a charity of choice. We will remember Marjorie fondly.

*we  
wish  
you a  
Very Merry  
Christmas*
