fundraiser ever!

LUCKY DUCKY RUBBER DUCKY RACE

August Long Weekend

All proceeds go towards event programming, play & music royalties, play set design, construction and costumes AND to build funds for our new **Community Arts Program (CAP)** launching this fall.

Volunteers will sell ducks in downtown Port Burwell on Robinson Street every weekend in **July** from **11:00 AM to 3:00 PM**. In case of rain, ducks will be sold at the Playhouse.

Carolyn James - Melody

Tickets
just \$27

October Play Production

'**Bedtime Stories**' by **Norm Foster** is a Canadian comedy play consisting of six interconnected vignettes that explore friendship, romance, and intimacy, all taking place within different bedrooms. Known as a "madcap roller coaster ride," the play features a diverse set of characters whose lives become hilariously linked. Directed by Ross Hepburn.

What a fantastic run!

'Laugh, Cry, Pee, Repeat' had audiences doing exactly what the title promised—laughing, crying, and maybe even a little peeing in their seats!!!

A heartfelt thank you goes out to our incredible director, **Gord Walker**, co-director **Stephanie McDonald**, our talented cast, dedicated backstage crew, and our amazing lights and sound team, **Bill and Dave**. Every rehearsal, set change, lighting cue, costume adjustment, and performance came together because of your passion, creativity, and countless hours of hard work. You truly made this Canadian premiere a home run!!!

Thanks to the **tremendous support of our audiences**, this production also helped fund much-needed fencing upgrades to our outdoor venue and the purchase of new computer equipment for the theatre. That's something worth celebrating!

To everyone who **volunteered, supported, and attended the show**—thank you for helping make this production such a memorable success. We couldn't do it without you. **Hip Hip Hooray!**

Grant News

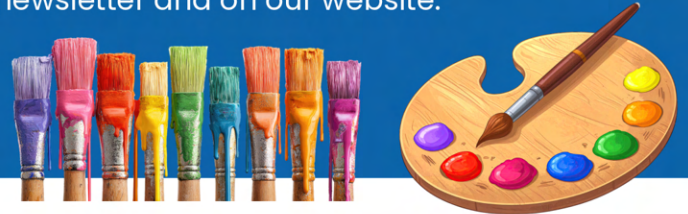

We are pleased to announce we have secured grant funding from the **Miggsie Fund** through the **Lawson Foundation** and the **Westminster College Foundation**.

This funding will be used to develop and implement our new **Community Arts Program** (CAP), a pilot project we are planning.

The CAP programming will see various arts and theatre related workshops at the Playhouse that will run from August 2026 to May 2027. We are so excited and can't wait to share the experiential workshops we have in store.

We are grateful to these amazing foundations and their funding towards this program. Stay tuned for further announcements and details including dates, times and costs in the next newsletter and on our website.

Congratulations to the Port Burwell Public School Grade 8 Gradutes!

This is the first grade 8 graduation this community has seen in a very long time. The periscope playhouse was thrilled to have provided the venue for their ceremony and what an amazing job the decorating committee did! Congratulations and all the best in their future endeavours!

A heartfelt thank you to **Roy Sullivan** for his generous donation of a variety of **Ryobi hand tools** to the Periscope Playhouse. These valuable additions will be put to great use by our maintenance and set construction volunteers, helping bring productions to life and keep our theatre in top shape. Thank you!

COMING SOON

Exciting changes are coming to the outside of the theatre! We've been working on new **exterior signage** for the past two years, and we can't wait to share the finished look with you. Installation is planned for the first week of July, so keep an eye out for photos and the big reveal!
