Step right up and join us for the latest documentary from Simcoe director Daryl Granger who brought you 'Netting the Waters' and 'Young Farmer'.

'**SHOWMEN**' is a documentary that documents a full year with the World's Finest Shows, which was formerly associated with Conklin. This film provides an intriguing exploration of a traveling carnival featuring over 50 rides, game booths, and food kiosks, reflecting a significant segment of mobile carnivals throughout North America. Beginning in January during the off-season, the film emphasizes the crucial processes of event organization, acquiring necessary permits, and managing staff, illustrating how a small town evolves into a vibrant festival.

Viewers will meet the showmen—historically called "**car**nies"—with a focus on using respectful terminology. Their passion and expertise are vital for animating the carnival experience. The documentary also delves into the rich heritage of the midway, tracing its roots back to **1893**, while shedding light on the financial realities of carnival operations, including costs for attractions, labor, insurance, permits, and maintenance. This offers a genuine glimpse into the challenges of carnival life. Whether you're an avid carnival fan or simply curious, this documentary provides an entertaining and insightful diversion from the ordinary.

Fasten your seatbelts for a madcap roller coaster ride through the private lives of fifteen remarkably connected characters. In this clever comedy by Canada's most-produced playwright, **Norm Foster**, the audience is invited to peek into six different bedrooms where life, love, and the pursuit of a good laugh collide.

The stories are woven together by a late-night radio contest, a rock concert, and a persistent taxi driver. From a shock jock paying a couple to make love on the air to an aging rock star facing an overzealous groupie, **Bedtime Stories** explores the messy, poignant, and side-splitting moments that happen when the lights go down. It's a heartfelt and relatable look at ordinary people in extraordinary, and often compromising situations.

was a HUGE success!

We are incredibly grateful to everyone who continues to support our small-town community theatre. To our dedicated volunteers, generous sponsors, local organizations, businesses, individuals, and everyone who purchased a duck in support of our fundraiser—thank you! Your generosity, time, and unwavering support make it possible for us to bring live theatre, music and other cultural events to our community. Together, you helped us raise over \$10,000, which will go directly toward programming and theatre production costs. We couldn't do it without you, and we are truly grateful to have such an amazing community behind us!

Periscope Playhouse has truly changed our lives for the better. After our kids moved out and our hockey years were over, we found ourselves wondering, “What do we do now?”

Then we were introduced to Marion Rogers, who brought us into the wonderful world of Periscope Playhouse—and we’re so grateful she did.

Through volunteering at the Playhouse, we’ve found something we didn’t even realize we were missing. We’ve made wonderful friends, found a whole new social life, and discovered a place where we truly feel like we belong. It has brought so much fun, laughter, and purpose into our lives.

And perhaps one of the greatest gifts has been the confidence it has given both of us. The things we’ve learned, the experiences we’ve had, and the opportunities to step outside our comfort zones have helped us grow in ways we never expected. The confidence we’ve gained through being part of Periscope Playhouse has been amazing.

That’s why we love volunteering at Periscope Playhouse. It’s so much more than a theatre to us—it’s a community, a second family, and a very special part of our lives. We’re incredibly grateful to be part of it.
