CACI SYNERGY

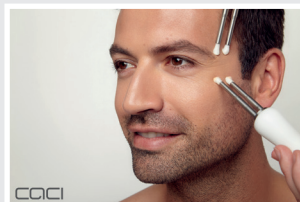

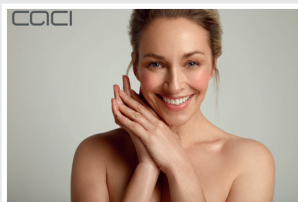

CACI is the brand that has become synonymous with delivering effective treatment without the need for surgery. The CACI flagship system has gained the reputation for the most versatile treatment system on the market. Clinically proven to reduce wrinkle depth by up to 75% and improve skin elasticity by up to 88%.

A remarkable difference is seen after the first treatment however the benefits are cumulative and typically a course of 10-15 treatments is required for optimum results.

CACI Trial

£50 | 90mins

A great introduction for those new to CACI treatments. Feel and see the results that can be achieved with CACI technology. Appointment time allows for consultation, treatment introduction, delivery and advice on future treatment recommendations.

CACI Synergy incorporates four unique synergistic technologies:

S.P.E.D MICROCURRENT

Microcurrent is the core of the CACI treatment standing out from the crowd with a patented digital waveform. It re-educates facial muscles, toning and tightening sagging facial contours. S.P.E.D combines the lifting and toning effects of Microcurrent and the tissue regeneration benefits of simultaneous LED light therapy which helps smooth fine lines and wrinkles.

ORBITAL SKIN RESURFACING

Delivers crystal free microdermabrasion with simultaneous LED light to promote skin healing and rejuvenation.

WRINKLE REDUCTION

Collagen stimulating wrinkle comb waves combined with LED light therapy effectively and painlessly plump and soften lines and wrinkles.

ULTRASONIC REJUVENATION

Piezoelectric dermal vibrations dislodge dead skin cells offering a less aggressive form of microdermabrasion. Combined with ultrasound waves to enhance skin care absorption delivering instant results.

BESPOKE CACI SYNERGY TREATMENT

To allow us to apply the best combination of the advanced technologies CACI synergy can offer we have created a few *bespoke treatments to suit all clients.
