

Eaton School District Accessibility Report

Quarter 1: July 1, 2024

- License with *AccessiBe* installed
- *AccessiBe* widget placed on every page of the website
- accessScan ran on website, results came back as **Compliant** according to WCAG standards
- Purchase of new license with *Adobe Acrobat* through Centennial BOCES to use the accessibility scan through the application
- Thorough manual scan over website to evaluate what documents need to be changed to meet accessibility standards
- Staff trainings scheduled with Eaton School District Marketing and Communications Specialist on website accessibility
- Continued documentation of changes of the website to make it accessible
