What Is The MMH PAC?

The Missouri Manufactured Housing Political Action Committee (MMH PAC) raises and contributes funds to legislative candidates who support our industry. Candidates who receive MMH PAC contributions aid us in breaking down regulatory and financing barriers in Missouri.

The MMH PAC provides an opportunity for all of us to participate in a cohesive effort to elect leaders supportive of our industry. This collective effort helps ensure support for the future growth of our industry. Every dollar you contribute to the MMH PAC goes directly to targeted legislative candidates.

Who Are MMH PAC Members?

MMH PAC members are manufactured and modular home builders, retailers, suppliers, lenders, insurers, manufactured home community operators, installers, and transporters. In other words, the PAC is all of us.

What are fewer zoning restrictions worth? How do we stop further constraints on our industry? Tired of government choking the life out of your business? Ask yourself these questions when wondering whether to support the MMH PAC. All contributions to the Missouri Political Action Committee go directly to support legislators who support us and there are zero administrative costs. The results can be huge compared to the few dollars spent. **Let your voice be heard!**

Special thanks to PAC Chairman, Dwayne Reynolds and the PAC Committee
