## Pasture Meter + APP

5011

RRP \$11,949 + GST

Advanced sensor technology enables the C-Dax Pasture Meter+ to be used at speeds of up to 20kph. Taking upto 200 measurements per second.

- Use any modern smart phone to connect to the Pasturemeter+ App
- Easy to use with intuitive interface
- In-paddock visibility
- No ongoing app subscription fees

## InEx Pasture Meter

5010

RRP \$7,999 + GST

- The PROVEN pasture measurement tool
- Accurately measures pasture cover at speeds up to 20 km/h
- Instantly view average cover per paddock
- Displays pasture cover in kg DM/ha
- Manually record and view individual readings on screen
- Reliably calculates average pasture cover and growth rates in your preferred farm management software
- Optional autolift kit available

Note: The InEx Pasture Meter is not interchangeable with the C-Dax Pasture Meter.

# ATV Sprayers

C-Dax SprayRider™

**Purpose built for ATVs & brings a new level of performance to spot spraying.**

Its updated tank design fits more ATVs than ever before, and the low centre of gravity and internal baffle help keep things stable by reducing liquid surge while you're on the move.

**SAFEST ATV SPRAYER**

**FRONT & REAR MOUNTING**

**2 LITRE FRESH WATER TANK**

# SPRAY On

The C-Dax Spray-On Series is all about making spraying jobs easier, more reliable, and a whole lot more user-friendly.

**Whether you need a spot sprayer, flat deck or boom sprayer, the Spray-On 200 has the flexibility to suit your requirements.**

The uniquely designed shape of the Spray-On 200 ensures that it performs well in a flat deck situation, remaining stable and withstanding the rigours of intensive use while remaining lightweight and easy to handle to ensure the tank is readily transportable.

**NON-CORROSIVE POLYETHYLENE TANKS**

# BOOMS

C-Dax spray booms are designed to make wide-area spraying simple, accurate, and stress-free. They're built tough, using non-corrosive materials and smart engineering so you get a boom that stands up to real farm conditions while delivering a clean, consistent spray pattern every time. Whether you're managing pasture, crops, or roadside areas, there's a C-Dax boom to suit the job.

PART	FEATURES	RRP
<b>1018</b> <b>MultiBoom</b>	<ul style="list-style-type: none"> <li>• Ideal for spraying fence lines and rough terrain;</li> <li>• Shrouded 1.5 metre structural section;</li> <li>• Built-in nozzle protection;</li> <li>• Nominal 4.5 metre cover, but with independent valve control to give 1.5m, 3m or 4.5m cover;</li> <li>• Optional QuickSmart™ attachment system.</li> </ul>	<b>\$692 + GST</b>

# Terms & Conditions

## 1. GENERAL

- 1.1 All products and services provided by Sturli Ltd (“Sturli”) are supplied under these Terms of Trade (“Terms”) unless otherwise agreed in writing. By requesting products or services from Sturli, you acknowledge and agree to these Terms.
- 1.2 Sturli may update these Terms from time to time by providing written notice. Any updated Terms will apply to all goods and services ordered after such notice.

## 2. DELIVERY

- 2.1 Delivery is deemed complete when products are delivered directly to you or to a carrier nominated or accepted by you.
- 2.2 Risk in the products passes to you upon delivery as defined in clause 2.1.
- 2.3 Title to products remains with Sturli until full payment is received. Until title passes, you hold the products as Sturli’s bailee and must keep them identifiable from other goods.
- 2.4 You must inspect products within 3 days of delivery and notify Sturli of any damage or defects. Returns require prior written consent and may incur a 10% restocking fee if no material defect is found.

## 3. ORDERS AND QUOTES

- 3.1 Purchase orders cannot be cancelled once submitted unless Sturli agrees. If products have been dispatched, a Returned Material Authorisation (RMA) must be raised, and a 10% restocking fee may apply.

## 4. PRICE AND PAYMENT

- 4.1 Prices are either as quoted in writing or, if no quote is provided, at Sturli’s standard rates at the time of dispatch or service.
- 4.2 Payment is due on the 20th of the month following the invoice date.
- 4.3 Late payments may incur interest at 2% per month on outstanding amounts, payable on demand.

## 5. WARRANTIES AND LIABILITY

### *Use of Equipment*

- 5.1 You are responsible for ensuring the equipment is suitable for your intended use.

### *Warranty Claims*

- 5.2 Warranty claims must be directed to the retailer who sold you the equipment. The retailer will liaise with Sturli.
- 5.3 Sturli warrants to the original purchaser that equipment is free from defects in materials and workmanship for 12 months from the earlier of the first retail sale or warranty start date.
- 5.4 Sturli may repair, replace, or refund defective equipment at its discretion, subject to these Terms.

### *Limitations*

- 5.5 Except as stated in clause 5.3, all other warranties (express or implied) are excluded to the extent permitted by law.
- 5.6 Sturli’s maximum liability is limited to repair, replacement, or refund of the purchase price.

## 5.7 Sturli is not liable for:

- Altered, misused, or excessively handled equipment;
- Improper transport, storage, or use;
- Damage from neglect, accident, fair wear and tear, battery damage, or chemical attack;
- Custom-built equipment;
- Equipment serviced by unauthorised agents;
- External factors beyond Sturli’s control;
- Loss of profit, revenue, or indirect/consequential damages.

## 5.8 Sturli will endeavour to repair or replace equipment promptly but is not liable for delays.

## 5.9 Transactions are deemed for trade purposes, and the Consumer Guarantees Act 1993 does not apply to the fullest extent permitted by law.

## 6. SECURITY INTEREST

### 6.1 Retention of title under clause 2.3 creates a security interest under the Personal Property Securities Act 1999 (PPSA). You must assist Sturli in registering and enforcing this interest.

### 6.2 You agree to:

- Waive rights to receive verification statements;
- Contract out of rights under section 107(2)(a), (c)-(i) of the PPSA;
- Contract out of sections 114(1)(a), 133, and 134 of the PPSA.

## 7. DEFAULT

### 7.1 If you:

- Breach these Terms;
- Become insolvent or bankrupt;
- Are deemed by Sturli to be unable to meet obligations;

Then all amounts owed become immediately due, and Sturli may:

- Suspend or cancel orders;
- Terminate credit facilities;
- Repossess products from your premises.

### 7.2 You authorise Sturli and its agents to enter your premises to exercise these rights and indemnify Sturli against related liabilities.

### 7.3 You must pay all enforcement costs, including legal fees on a solicitor/client basis.

## 8. MISCELLANEOUS

### 8.1 Information: You authorise Sturli to collect and disclose personal information for credit and debt collection purposes. You may access and request corrections to your personal information.

### 8.2 Suppliers: If you are a supplier, you must not make representations about product quality or fitness beyond those made by Sturli in writing. You indemnify Sturli against any resulting loss.

### 8.3 Customers: If you supply Sturli products, you must:

- Provide customers with product manuals;
- Assist with warranty claims;
- Not settle claims without Sturli’s written consent.
