Welcome Back to School Students!

Renee Gallagher
School Principal

Many people in Wisconsin appreciate the distinct seasons we experience each year. Each season brings a sense of predictability and familiarity, while also offering opportunities for change, growth, and renewal. We know what to look forward to, yet each new season has something different to offer.

The school year has a similar rhythm. There are traditions

that ground us, familiar routines that bring comfort, and a strong sense of community that connects one year to the next. At the same time, every school year brings new opportunities, new friendships, new challenges, and new possibilities for growth.

As we begin this new school year—a new season for St. Anthony on the Lake School—I want to assure you of a few things.

Our teachers are deeply committed to the success of every student in our school. They are grounded in the traditions that make our school special and committed to providing steady support, excellent instruction, and opportunities for students to grow in both knowledge and faith. The loving effort our teachers and staff put into preparing their classrooms and our school over the summer was truly impressive. Their care and dedication are already evident in the welcoming environment our students will enter.

While this is my first year as principal, I am grateful to be part of the St. Anthony on the Lake School community. I look forward to working alongside our dedicated staff to provide an excellent education, to help every student feel loved and cared for, and to assure our parents that their children are known, cherished, and seen as children of God.

Our school community is also blessed by the continued

support of the parish of St. Anthony on the Lake. The parish supports Catholic education in so many practical and meaningful ways, and we are especially grateful for the prayers that surround our school. The connection between our school, our families, and our parish is one of the traditions that makes this community so strong.

As we begin this new school year together, I invite you to join us in prayer:

Lord, please be with the school community of St. Anthony on the Lake this school year.

Help us be witnesses of our faith to others, and help us be peacemakers inside and outside of our school community. Let this year be a time of learning, building of friendships, and ultimately growing in our relationship with You.

We ask all these things in Your name. Amen.

May this school year be filled with the traditions we treasure, the relationships that strengthen our community, and the new opportunities that help each of us grow. I am grateful to begin this new season with all of you.

VOLUNTEER OPPORTUNITY

Arriving Soon! **New Audio System**

As part of the Love One Another Campaign, a new sound system will be installed in the church sometime between late October and early November. The system will include new microphones for the priests and deacons, new mics at the ambo and cantor stand, new mics over the choir, new speakers over the congregation, updates to the speakers in the Gathering Space, new projectors, and enhancements to cameras for streaming. **We are now beginning to look for volunteers to operate this new equipment with a mixing board that will be located at the AV desk in the rear of the church.** We will be needing one person per Mass to operate the new system, a total of four per weekend. Training will begin soon. If you would like to volunteer for this new ministry or have questions, please contact the Music and Liturgy Office at latonav@stanthony.cc or call (262) 691-1173 ex. 1109.

POPE LEO'S AUGUST PRAYER INTENTION

For evangelization in the city. Let us pray that in large cities often marked by anonymity and loneliness we find new ways to proclaim the Gospel, discovering creative paths to build community.

Curious About Cursillo?

Maybe you've heard the word Cursillo but still aren't quite sure what it is. A recent article in The Catholic Miscellany, the magazine of the Diocese of Charleston, offers a wonderful introduction to Cursillo and describes how friendship, prayer, and a personal encounter with Jesus Christ are at the heart of the experience.

If you're curious, take a few minutes to read "Cursillo is Friendship, the Best Path to Jesus Christ."

National Wellness Month

August is National Wellness Month. It's a time to prioritize your self-care, reduce stress, and create healthier habits to feel like your best self!

The summer can be full of planned activities with picnics and get togethers, resulting in extra stress, less sleep, and over indulging in food & drink.

This is the time to refocus on self-wellness before the start of school.

Research has shown we can increase happiness up to 71% when we manage stress and maintain a healthy lifestyle not to mention the health benefits.
