MODELS OF HOLINESS

As Fr. Tony has been meeting with our grade levels to teach lessons about St. Francis of Assisi, one of his first questions to the children has been, **"Who is a model of holiness in your life?"**

The conversations I have heard from students across various grades and classrooms have been beautiful. There has been a broad range of answers, each accompanied by thoughtful and meaningful reasons.

Priests

I have heard students speak about our priests and the ways they model holiness. Children shared that Fr. Tony teaches them about our mission each year and prays with them at Mass. Students talked about how our priests help them understand the Gospels and grow in a closer friendship with the Lord. A few students even shared that they have family members who are priests and spoke about how important those individuals are in their lives.

Parents

Many students spoke about their parents. They recognized that their parents were the ones who first taught them to pray. Some of our older students even shared that they understand the intentional choice their parents have made in providing them with a Catholic education, and they expressed gratitude for that gift. Several students talked about how their parents model what it looks like to live out their Catholic faith at home and how they serve others.

Teachers

I was also especially impressed by the way students spoke about their teachers. They shared examples of how their teachers help them build friendships rooted in kindness and respect. They talked about opportunities to pray the Rosary, participate in Adoration, and experience other moments of prayer that help them feel closer to God. One student beautifully shared that he knows his teachers love the Lord simply by the way they live and act.

There are many blessings that come from a Catholic education. Listening to our students speak about the people who surround them and accompany them on their journey of faith is a beautiful testament to the gift of Catholic education and to the faith that is ever-present at **St. Anthony on the Lake School**.

What a blessing it is to know that our students are surrounded by so many models of holiness—priests, parents, teachers, family members, and one another—who are helping them discover what it means to know, love, and serve the Lord.

Taizé Services Begin Thursday, October 21

At 7 pm, Third Wednesday of the Month

Over the next nine months, October through June, we will be holding a one hour Taizé style prayer service on the third Wednesday of each month beginning at 7 pm. In keeping with this year's theme "Models of Holiness, Witnesses of Peace" each service will focus on one of the charisms of St. Francis of Assis.

Taizé prayer is a simple and contemplative form of Christian prayer that invites people to become quiet and attentive to God's presence. Originating in the ecumenical Taizé Community in France, the prayer service typically includes short, repetitive chants, Scripture readings, periods of silence, candlelight, and brief spoken prayers. Repeated music allows the words to move from the mind into the heart, creating a peaceful atmosphere for reflection and worship.

Taizé prayer is especially suited to parish gatherings, Advent and Lenten services, retreats, and ecumenical celebrations. Rather than emphasizing many words or lengthy reflections, it creates space for silence, listening, and communion with God and with one another. Participants are encouraged to set aside the busyness of daily life and simply rest in God's presence, allowing the music, Scripture, and silence to deepen their faith and open their hearts to peace.

Do You Know About SCRIP?

Scrip is one of the easiest ways to raise money for St. Anthony on the Lake AND is a key part of our fundraising activities. Money raised from SCRIP has been used to help support the purchase of curricular resources, for tuition assistance, and classroom supplies.

So how does SCRIP work? You buy either a physical gift card or e-gift card at face value. For each purchase, both you and St. Anthony earns money back. Earnings vary based on the rebate percentage offered by that merchant but range from 1.25% to 22%. Of the rebate earned, 50% goes back to the school and the other 50% is distributed at your discretion to one of the following:

- Credited to your family's (or another family's) tuition in the following academic year
- Donated to St. Anthony's on the Lake School
- Donated to St. Anthony's on the Lake Choir
- Paid to you as a cash rebate (2025-2026 rebate was paid out in July 2026)

Last year, some individuals earned over \$300 in tuition credits and received over \$400 in cash rebates!

The easiest way to purchase SCRIP is via the RaiseRight App. The RaiseRight App offers instant e-gift cards from over 1000+ merchants. You can purchase e-giftcards oftentimes in \$5 increments while checking out at a store and use it instantly. For a list of merchants available through the app, [visit https://www.raiseright.com/brands](https://www.raiseright.com/brands).

You may also purchase physical gift cards either through the app or using the Scrip To Go Order Form. The gift cards can be sent home with your child at school or picked up in the office.
