A CALL TO LIVE GENEROUSLY

This weekend, we celebrate the Solemnity of Our Lord Jesus Christ, King of the Universe. In the Gospel of Matthew (25:31-46), Jesus reminds us that the way we treat others is a reflection of our love for Him. He tells us, "Whatever you did for one of the least brothers of mine, you did for me." Through these words, Jesus challenges us to look beyond ourselves, recognize God in those around us, and respond with compassion, kindness, and generosity.

As we celebrate Christ as our King, we are reminded that the kingdom Jesus is talking about is not built on power or wealth, but on love, humility, and service. We are called to follow that example by sharing the gifts God has entrusted to us. Recognizing that everything we have is a blessing from God and finding ways to share those blessings with others is what stewardship is all about. Through our prayer, time, talent, and treasure, we help bring Christ's love to life in our parish, our families, and our community.

Last weekend, we celebrated Commitment Weekend, and I want to extend my gratitude to everyone. Thank you for prayerfully considering your commitment, for sharing your blessings, and for choosing to invest in the mission and ministries at St. Anthony on the Lake. Your generosity is a beautiful expression of faith and makes a lasting difference in our parish community. Because of your support, we are able to continue providing opportunities for worship, faith formation, Catholic education, fellowship, outreach, and service to those in need. Every hour volunteered, every prayer offered, and every gift shared helps our parish live out its mission and bring Christ's love to others. We are truly grateful for all the ways you support and strengthen our parish family. Thank you!

Taylor Baar
Director of Stewardship and Communications

If you have not yet had an opportunity to complete your Annual Renewal, there is still time! We invite you to prayerfully consider how God may be calling you to share your gifts in the year ahead. Your faithful annual support is one of the most meaningful ways to strengthen St. Anthony on the Lake. Every commitment matters, and every act of generosity helps us continue to build the Kingdom here in Pewaukee and beyond.

As we honor Christ our King, may we remember that we serve God whenever we serve one another. May our commitments be a reflection of our faith, gratitude, and desire to build God's kingdom here among us. Thank you for being part of our parish family and for the many ways you make Christ's love visible in the world.

WE GIVE THANKS

This Thanksgiving, we give thanks to God for the many blessings within our parish community. We are especially grateful for our volunteers who share their time and talents, and for our generous donors whose gifts sustain our ministries. Because of your stewardship, our parish continues to be a vibrant family of faith. We are the community we are because of your faithful dedication.

Thank You!

May God bless you and your families with peace and joy this Thanksgiving!

MIDDLE SCHOOL LANGUAGE ARTS AND STUDENT GOVERNMENT

Audrey Anderson
8th Grade Teacher

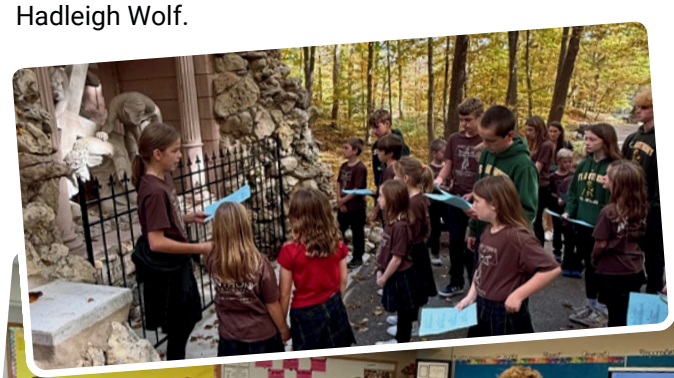

St. Anthony on the Lake helps students learn faith in action through service projects and outreach opportunities. As soon as school begins, middle school students assist the younger students at lunch and help clean up the lunchroom as Lunch Buddies. Each month, the 8th grade students have arranged spaces for upcoming events. In September, the 8th grade class participated in blanket tying with our 2nd grade buddy class for the Gold in September Mass. The older buddies led the Stations of the Cross for their younger buddies at Holy Hill in October. This week, the 8th graders helped prepare envelopes, letters, and tickets for the upcoming Signature Event.

One group that is vital in planning outreach opportunities throughout the year is the St. Anthony on the Lake Student Government. Each year, St. Anthony on the Lake partners with Capuchin Community Services to provide families in need with a holiday meal. Recently, student government organized the House of Peace Holiday Food Collection for school students and staff members to bring food items so that each class could pack two boxes.

St. Anthony on the Lake's Giving Tree will be located in the church's Gathering Space in early December. Families may choose to participate by selecting ornaments at weekend Masses, or they may respond to information that student government will send home to have their children select Giving Tree ornaments at school. The new, unwrapped items will be returned to school or placedunder the Giving Tree.

Additional plans for this year include a cereal drive during Catholic Schools Week for People's Table, a St. Anthony on the Lake Partner in Mercy that helps neighbors work together to reach food security and share resources. In addition, to support the Pewaukee Food Pantry, we will feature Tuna Tuesdays to collect tuna during Lent. As other opportunities arise, student government will plan appropriate outreach and service projects.

Congratulations to this year's student government officers: President: Cole Walsh; Vice President: Nora Rankel; Secretary: Sarah Brzeski; and Promotions Directors: Payton Connor and Hadleigh Wolf.
